Records of Monuments and Places (RMP) as Established under Section 12 of the National Monuments (Amendment) Act 1994 OJ019-020 Historic City

Record of Monuments and Places (RMP) as Established under Section 12 of the National Monuments (Amendment) Act 1994 outside Historic City

See Record of Monuments and Places manual and maps at <https://www.archaeology.ie/publications-forms-legislation/record-of-monuments-and-places>. For updated information see the Historic Environment Viewer at <https://maps.archaeology.ie/HistoricEnvironment>

The RMP does not include all known archaeological sites and monuments, given that further such sites and monuments are found on an ongoing basis. For that reason, it is very important in the context of considering proposed development to take account of all information available on the Historic Environment Viewer (HEV)
