TELECOMMUNICATIONS INFRASTRUCTURE LICENCE

Environment & Transportation, Road Maintenance Services, Civic Offices, Block 2, Floor 4, Wood Quay, Dublin 8, D08 RF3F Information: 01 222 2255

GENERAL

Dublin City Council in accordance with the provisions of Section 254 of the Planning and Development Act 2000 and the Planning and Development Regulations 2001 to 2006, licences the placement of telecommunication infrastructure on the public road/footpath at suitable locations. An application must be made to Dublin City Council and a licence granted before such cabinets are placed on the public road/footpath. All licences are granted subject to the conditions, which are outlined on page 4.

The issue of a licence is subject to payment of an application fee; a licence fee; and acceptable evidence of Public Liability Insurance cover indemnifying Dublin City Council. When processing a licence application, consideration is given to pedestrian safety, width of the footpath, pedestrian flow, other items of street furniture, internal reports (e.g. Planning and Roads & Traffic), and representations received from the public in relation to the application.

LICENCE APPLICATION PROCEDURE

1. Erect an A4 Size Site Notice in the prescribed format (see page 2 overleaf) in relation to making of an application. The Site Notice shall be placed as close as possible to the proposed site for the proposed telecom infrastructure and must be clearly legible by the public, for a period of three weeks from the date of lodgement of the application. The actual site must be marked on the footpath. The applicant must furnish photographic proof of erection/existence of the required Site Notice with the licence application.
2. The site notice must state that the application may be inspected at the offices of the Road Maintenance Services, Civic Offices, Block 2, Floor 4, Wood Quay, Dublin 8, during normal working hours and that observations etc. on the licence application may be submitted in writing to the above address within a period of 3 weeks from the date the application is lodged.
3. Return a completed application form with enclosures to Environment & Transportation, Road Maintenance Services, Civic Offices, Block 2, Floor 4, Wood Quay, Dublin 8, D08 RF3F.

LICENCE APPLICATION PROCEDURE

All applications must be made on the official application form (pages 1 & 5 of this leaflet) and must be accompanied by 4 No. 1/100 scale drawing indicating the following:

- All above ground utilities/services in the area including lampposts, bollards, fire hydrants, manholes, cycle stands, litter bins and all 'in situ' items of street furniture, etc. located within 10metres of the proposed area.
- All properties adjoining the footpath/road within 10m of the proposed location of cabinet shall be shown, together with details of the boundary with the road. In particular any doors, gates or openings must be clearly shown as well as any other features on the frontage of the property which could be impacted on by the cabinet.
- Dimensions of the proposed licensed area and the location and dimensions of the cabinet be located within the area.
- A site location map 1/1000 and photograph with site notice in place.
- An area map indicating existing and proposed cabinets by your company

If any of these requirements are omitted, the application may be deemed invalid and returned to the applicant.

Objections/Observations in relation to an application must be lodged within three weeks from the date of the application.

The applicant or any interested party can appeal the decision to grant or refuse a Telecommunication Infrastructure Licence to An Bord Pleanála in accordance with Section 254 [6 (a)] of the Planning & Development Act 2000. Information regarding the appeal process is available from An Bord Pleanála, 64 Marlborough Street, Dublin 1. (Telephone (01) 8588100 / Website: www.pleanala.ie)
