

#Red4ready

Get everyone
out in time.

Make sure your smoke
alarm is working.
It may save your life.

**Make it the last
thing you do.**

Close all your doors last
thing at night, every night.

Stop a fire in its tracks.

Recharge yourself. Not your phone.

Leaving your phone charging overnight could cause a fire.

Wake up to the danger.

#Red4ready

Always have an escape plan.

Older people are statistically
more likely to die in a housefire.

Don't be a statistic.

Do they know who to call?

In an emergency make sure they know these numbers.

For help call 112 or 999.

#Red4ready

It's easy to be
too relaxed.

A burning candle should
never be left alone.
Don't ruin a good night.
