Temporary Structures

Temporary structures associated with an event / activity are required to be certified fit for purpose and safe to use under the conditions they are likely to be exposed to on site during the course of an event / activity. The promoter of an event is required to engage a Chartered Engineer to assess and advise on the adequacy of both the design and the construction of the temporary structures to be used*

The relevant information must be lodged with Building Control at least 28 days before the event takes place.

E.buildingcontrol@dublincity.ie for further information.

*A temporary structure may include platforms, raised seating, stages, proscenium arches, tents, marquees, stage sets, lighting rigs, sound towers, camera platforms, filmsets, elevated screens, floodlights, barriers, fencing, bridges, containments, suspensions, inflatables, stairs, elevated walkways, gantries etc... A temporary structure may also include a temporary use of an existing structure not normally so used or not known to be suitable for a temporary use.

Traffic Management

If an event / activity requires any of the following an application **MUST** be made to the Environment & Transportation Department, Roads and Traffic section.

- Suspension of Parking Bays
- Road closure(s)
- Traffic diversion(s)
- Positioning of Equipment/Crane/vehicle etc

(Please note a separate application is required for each of the above. In addition to this, an application for a formal road closure must be submitted 5 weeks prior to the event /activity date. A full Traffic Management Plan must accompany any such application.)

Refundable Bond

As part of the terms and conditions of a permit an applicant may be required to submit a refundable bond, where Parks, Biodiversity and Landscape Services decide that the proposed event is of a scale that is likely to cause damage to the park surface from construction, vehicular or crowd movement, or any other activity associated with an event.

A pre-event on-site meeting must be arranged at least 14 days in advance of the event with the District Parks Officer for the particular park to discuss any potential impact to the site.

A post-event meeting should be arranged by the applicant within 7 days of event to determine if there was any damage to the park. It will then be decided if the bond is to be retained, or refunded in full or in part.

Any infringement of the Terms and Conditions of the permit may affect future applications for an event / activity in Dublin City Council Parks & Open Spaces.

Completed Application Forms must be submitted by e-mail to parkevents@dublincity.ie
