1. Map to be read in conjunction with the written statement
2. Roads objectives are shown diagrammatically
3. *See Record of Monuments and Places (RMP) at <https://www.archaeology.ie/publication-forms/4448/record-of-monuments-and-places>
For updated information see the Historic Environment Viewer at <https://map.archaeology.ie/History/Environment/>
The RMP does not include all known archaeological sites and monuments, given that further such sites and monuments are found on an ongoing basis. For that reason it is very important (in the context of considering proposed development) to take account of all information available on the Historic Environment Viewer (HEV)
4. See written statement (Chapter 14) for full zoning text
