CONTENT AND STRUCTURE

Administrative History: The Irish Hockey Union was the men's governing body for the sport of hockey in Ireland from 1886 until 2000. It then merged with the Irish Ladies Hockey Union to form the Irish Hockey Association.

Scope and Content: Contains minutes from meetings of the Irish Hockey Union's Council Committee. The committee began to branch into different, smaller committees in 1903; including the Emergency Committee and the Grounds Committee, before the Executive Committee was formed in 1955. This collection begins with DCSA/13/1/2 which dates from 1898. The minute book dating from the foundation of the Irish Hockey Union in 1886 is currently missing and was not transferred to the Dublin City Sports Archive. The books from DCSA/13/1/2– DCSA/13/1/9 are large books, and include minutes of various sub-committees. DCSA/13/1/10 – DCSA/13/1/12 includes executive committee minutes and Annual General Meetings Minutes only, as loose files.

System of arrangement: Arranged chronologically

Immediate source of acquisition: transferred via Peter Agnew as part of the Irish Hockey Archive
