## Notes

1. Any person may claim to have a correction made in the Draft Register of Electors. **Please use block letters.**
  2. Claims for corrections in the Draft Register should be sent to the County or City Council concerned **on or before 25<sup>th</sup> November.**
  3. In any case where a correction is requested because of a change of address, both the former and current addresses should be indicated.
  4. A list of claims for corrections in the draft register is published on 30<sup>th</sup> November. The claims will be considered and decided on by the county registrar. He/she may require any person to give any information required for the consideration of a claim. The county registrar may arrange a hearing in relation to a claim and, if necessary, will give the claimant and any other interested persons notice of the time and place for the hearing. Any person interested in the claim is entitled to attend and give evidence or be represented at the hearing. The county registrar may require that any evidence tendered at the hearing is given on oath. The claimant and other persons interested will be notified of the county registrar's decision on a claim.
  5. It is an offence to fail to give the registration authority or county registrar any information required for the purposes of their duties or to give false information.
- 6. Two versions of the register**
- Since 2004, registration authorities are required to publish two versions of the register - the full register and the edited register. The full register lists everyone who is entitled to vote and can only be used for an electoral or other statutory purpose.
- The **edited register** contains the names and addresses of persons whose details can be used for a purpose other than an electoral or other statutory purpose e.g. for direct marketing use by a commercial or other organisation. If you do not want your details to be included on the edited register, you should tick (✓) the **opt out box**. If you want your registration details to be included (i.e. available for non-statutory uses), you should leave the opt out box blank.
