

Attention all Disability groups and organisations!

Advertise Upcoming events or meetings on one of our public information screens.

Dublin City Council has installed public information screens in ten locations across the city.

The screens are located within public waiting areas in City Council offices. You can advertise any upcoming events or public meetings being organised on these screens.

Please note that any information provided must be in power-point or j-peg format.

The location of the screens and the relevant contact person is as follows:
