Figure 2.5 (South East)

NOTES:
1. The flood incidents shown in these drawings are based on records as of 28th Nov 2011 and may not represent all flooded areas.
2. It should also be noted that basement flooding has been identified where possible but does not necessarily include all instances where basement flooding has occurred.
3. Not all watercourses are shown.
4. Watercourses that are shown include both culverted and open water sections.

LEGEND:
- Administration Boundaries
- Watercourse Routes
- Flooding Location (24-25 Oct)
- Severity:
  - Basement Flooding
  - Commercial Flooding
  - HouseFlooding
  - Wall Collapse
  - Land Flooding
  - Unknown Severity
