STATUTARY DECLARATION

I hereby apply for a permit to place a Mobile Crane / Equipment on a public road or footpath at location above and understand that I the applicant will be liable for all or any damage to footpath/carriageway resulting from this work. I hereby confirm that a Health and Safety statement is in operation at this site. and that I have indemnified Dublin City Council (minimum €6.5m in respect of any single claim) against all claims for damages whatsoever which may arise from the positioning and operation of the Mobile Crane. I am aware that the granting of a permit/licence does not represent agreement by DCC to contravene any conditions of an associated planning permission e.g. permitted working hours.

Signed:_____ Date:_____

This Department has no objection to the positioning of Mobile Crane / Equipment as detailed above, subject to compliance with the following conditions:

- □ **A full Traffic Management Plan and Method Statement to be submitted with this form**
- □ Health & Safety Statement to be prepared by competent person.
- □ Local Gardaí are notified □ Banksman / pointsmen are on duty
- □ Provision is made for the safe passage of vehicular/ pedestrian traffic around the mobile crane
- □ The Permit/Licence (if issued) to be retained on site for inspection by Dublin City Council Officials
- □ Identification signs are displayed
- □ Prepayment for any metered, pay & display or disc parking bays that will be affected by the positioning of the crane is received by this office
- □ If crane is being located on a pedestrian zone during its operational hours, then arrangements for the movement of the crane to and from site must be approved by the Gardai.
- □ This Permit/Licence (if issued) is retained on site for inspection by Dublin City Council Officials
- □ Traffic management arrangements are to comply with Traffic Signs Manual Chapter 8 “Temporary Traffic Measures and Signs for Roadworks” published by Department of Transport.
- □ Other conditions as specified below
