# Repair and Leasing Scheme\*

Dublin City Council are interested in buying vacant residential properties in need of substantial repairs.

These properties should be long-term vacant or derelict.

If you are the owner of one of these properties we maybe interested in buying the property from you at market value.

Dublin City Council are offering funding of up to €40,000 to owners of vacant housing units that require refurbishment works to bring a property up to a standard for rented accommodation. The property is then leased back to the City Council.

- Guaranteed rental income
- No management of tenants
- No rent or arrears collections
- No maintenance after the first six months
- No requirement to register with the Residential Tenancy Board
- No advertising or administration fees
