CONSERVATION & MANAGEMENT PLAN

November 2013

Howley Hayes Architects are recognised for their work in both contemporary design and for the sensitive conservation of historic buildings, structures and places. The practice has been responsible for the conservation and reuse of numerous buildings of national and international cultural significance, several of which have received RIAI, Opus or Europa Nostra Awards. Under the Conservation Accreditation System, implemented by the Royal Institute of Architects of Ireland, Howley Hayes Architects is accredited as a Conservation Practice Grade 1 and its director and associate director James Howley and Fergal Mc Namara are Conservation Architects Grade 1. Over the years the practice has completed many projects for the restoration and conservation of numerous historic buildings and places including – Russborough, Lambay Larch Hill, Dromoland & Carton. Howley Hayes Architects have to date been responsible for over one hundred and twenty conservation plans, reports and strategic masterplans for clients such as the Heritage Council, the World Monument Fund, the Office of Public Works together with numerous local authorities and private clients.
