'News letter Special'

Ballymun Concrete News, Say's Thank's To A Generous Ballymun.

Ballymun community has done the *Ballymun Concrete News* proud through supporting the newsletter over the past year. The back-up and support for the *Ballymun Concrete News* has been a cracking success. Organisations, business, groups and individuals in Ballymun, assisted the newsletter with photocopying services, A4 paper and other materials. However, the *Ballymun Concrete News* needs to become more self reliant. To do this a special fund raising event and first anniversary special takes place in the Penthouse on Saturday July 10th at 8pm.. This event is to help raise funds for new equipment badly needed to keep the *Ballymun Concrete News* up and running.

The night promises to be extra special as it also marks the first succesful year of the *Ballymun Concrete News*. (The newsletter first appeared in Ballymun on July 20th 98.) A number of dignitaries are expected to attend on the night. Music is provided by Mojo and guests.. Like other fund raisers, there will be the usual raffles and spot prizes. I would hope local traders will be very generous and donate extra special prizes for the night. Some traders have already generously presented prizes for the event. A special mention of all contributors will be mentioned on the night. I would ask all who wish to support the *Ballymun Concrete News* to come to the fund raising event. Tickets are £2 and can be purchased

at: Spar Store Ballymun, Tescos, Top Shop, Gary Jon's Centrepoint, Bargainland, Joseph O' Dea's, Ballymun Meats (Butchers) and the Penthouse.

Tickets can be ordered by phoning Tel:8425174 or 086-8199935. You can also pay on the night.(if there are any tickets left.)

Best Wishes To The
Ballymun Concrete News

The first issues of the *Ballymun Concrete News* hit Ballymun on July 20th 98. The very first newsletter covered the coming to Ballymun of Enviroment and local government minister Mr. Noel Dempsey T.D. The meeting took place at Ballymun Regeneration Ltd office in Stormanstown House, where Ballymun representatives told the minister to 'Change the Image of Ballymun'. There was also a second edition of issue one, which covered

news of the Hi-Tech Art Centre for Ballymun.

There has been 31 issues including this issue over the year which reported up to date news in Ballymun. Some of the news exclusively reported in the *Ballymun Concrete News*, I also had published in national newspapers.

The aim of the *Ballymun Concrete News* is to give fresh accurate and up to date positive news of events as they occur in Ballymun.

As editor, I hope people in Ballymun will continue to pick up and enjoy reading, their copy of the *Ballymun Concrete News* in the future.

Seamus Kelly, Editor.

Special thanks this issue goes to Dublin Corporation, Ballymun Regeneration Ltd and Community Action Programme, for their valuable support.
