

EASTERN CATCHMENT FLOOD RISK ASSESSMENT AND MANAGEMENT STUDY

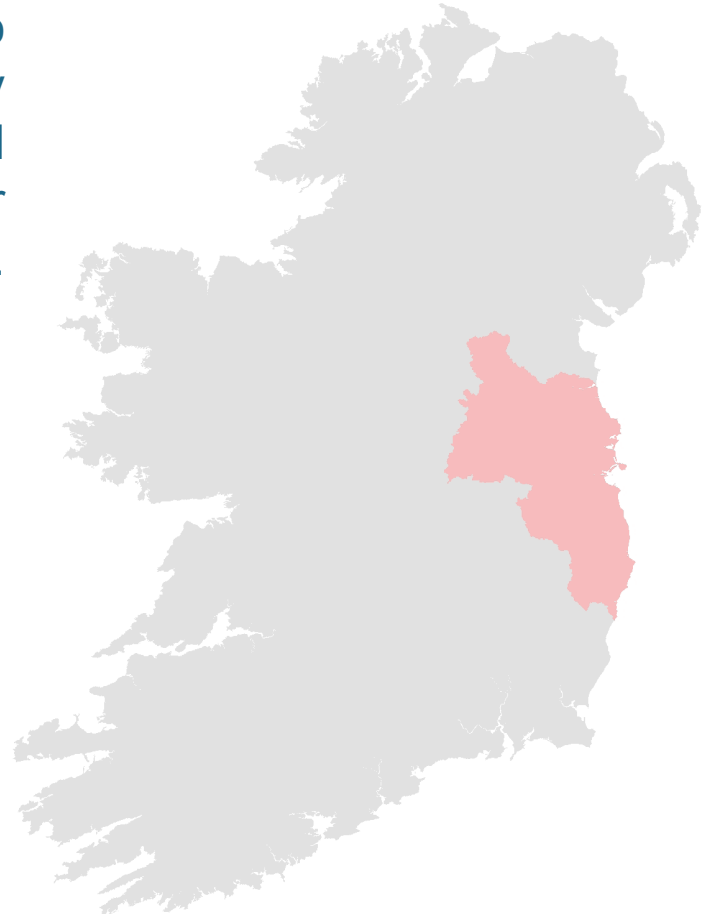

PUBLIC CONSULTATION DAYS

Camac & Poddle Rivers Draft Flood Mapping & Potential Flood Management Scenarios

26 June 2013, Dolphin's Barn Library, 1.00pm to 7.30pm
27 June 2013, Dolphin's Barn Library, 10.00am to 4.30pm

Open days are taking place to present Eastern CFRAM Study draft flood maps and potential flood management scenarios for the Camac and Poddle Rivers. All are welcome to attend.

Staff from the study team will be present to discuss and receive comments on the maps and scenarios which will then be available for a period of two weeks after the event at www.eastcframstudy.ie.
