MOTIONS:

4825. Motion in the name of Councillor Ciarán O'Moore

That Uisce Eireann are obliged to inform the house holder if a lead pipe is present when they are installing the water meter. It is felt that they have a legal and moral obligation due to the health risks associated with lead pipes.

4826. Motion in the name of Councillor Andrew Montague

That the chief executive report who is responsible for trimming the trees at 136a Aulden Grange and make sure that they are trimmed. This situation has been dragging on for over a year when I first put down Question 122 to the NCAC on 2/9/2013. In reply to question 107 on 16th December 2013, the chief executive stated: "Parks and Landscape Services are in communication with the NRA to clarify responsibilities and future maintenance of this open space and associated planting.

4827. Motion in the name of Councillor Micheál MacDonncha

This Area Committee urges City Council management and the Chief Fire Officer to ensure that the lessons of Priory Hall have been fully learned and implemented in fire safety and construction; we view with concern the Government's failure to ensure that this is done by stronger legislation and by increased resources for local authorities for inspections and enforcement, and we urge Government to do so.

4828. Motion in the name of Councillor Michael O'Brien

That this area committee supports the restoration to the housing allocations list those people from the North Central area who were removed because they joined the RAS scheme.

4829. Motion in the name of Councillor Michael O'Brien

That this area committee calls for an end to the practice of compulsory independent living courses for formally homeless people who have been housed by approved housing bodies.

4830. Motion in the name of Councillor Deirdre Heney

That necessary action be taken have the laneway to the rear of houses 9 to 15 Philipsburg Avenue cleared of rubbish, overgrowth and rubble ets as residents, backing onto this laneway, many of whom are elderly, complain of filth and rat infestation of the lane to the extent they are unable to access the rear of their homes with any ease; and that a full report me made on the matter including what action has been taken to date to resolve this on-going problem.

4831. Motion in the name of Councillor Naoise O'Muirí

That no permanent parking ban be implemented on Dollymount Beach and that full consultation with local representatives, the public and vulnerable beach users takes place prior to any changes to vehicular access.

4832. Motion in the name of Councillor John Lyons

This local area committee believes that due to the severe housing crisis being experienced by thousands of people across the city of Dublin, the provision of social housing must become the top priority of Dublin City Council. The city council must do everything within its power to

ensure that the housing needs of the 16,000 families languishing on the social housing waiting list are met as a matter of the utmost urgency. And so this local area committee believes that the redevelopment project being carried and paid for by Dublin City Council to the apartment complex at Priory Hall presents a great opportunity to address this crisis in a concrete manner: the 185 apartments must be offered to those on the local area's social housing waiting list.

4833. Motion in the name of Councillor John Lyons

This local area committee demands that the appropriate funding for the Darndale Park Renewal Project be included in Dublin City Council's Budget 2015. The amount of funding to be discussed and decided amongst the local area staff and the various stakeholders involved in the project at October's meeting of the Darndale Park Renewal Project.

4813. Motion in the name of Councillor Michael O'Brien

That this area committee supports legitimate peaceful resistance by local residents to the process of water meter installation and mass boycott of the charge.

Order: Agreed

4814. Motion in the name of Councillor Deirdre Heney

That the manager please refer to complaint from a local resident who complains about the fact that HGV's., car transporters etc use Collins Avenue as a thru-way from the Malahide road to the Swords road and on to the M1/M50 and make the necessary arrangements to prevent this this type of traffic using this route e.g. direct the HGVs to use the N32, a much wider road than the urban Collins Avenue.

Order: Report to Councillor.

4815. Motion in the name of Councillor John Lyons

This committee recognises the invaluable community resource that is the Darndale/Belcamp Intergrated Childcare Service, otherwise known as the Jigsaw creche, is fully cognisant of the devastating impact its closure would have on the local community, particularly the families that avail of the centre's services and the workers employed there, and demands that the new Minister For Children & Youth Affairs, James Reilly, liaise with the relevant state agencies to secure the €200,000 in funding needed to ensure that the quality childcare this centre provides to two hundred and fifty children each and every day is guaranteed not only for this year but long into the future. A letter outlining this demand from the area committee will be sent to the Minister Department for Children & Youth Affairs as a matter of urgency.

Order: Agreed. The Committee agreed that the Jigsaw Action Group attend the September Meeting to give a 10 minute presentation.

4816. Motion in the name of Councillor John Lyons

That this committee welcomes the Local Authority Construction Initiative for Darndale that will see 35 new homes built in the Buttercup area at a cost of €35 million and supports the demand that a social clause be activated in this instance which would require of the main contractor the following:

(i) To recruit one long term unemployed person from the local Dublin 17 area, directly or through the supply chain, for each €1,000,000 of project value while retaining all current employees of the company;

(ii) To recruit one apprentice from the local Dublin 17 area, directly or through the supply chain, for each €2,000,000 of project value.

Order: Agreed

4817. Motion in the name of Councillor Naoise O'Muirí

That the Manager organise for the footpath running through from Woodside to St Annes Park to be renewed and upgraded.

Order: Report to Councillor.

**The Chairman and Members of
North Central Area Committee.**

With reference to a proposal to extinguish the Public Right of Way over laneway to the rear of 80-118 Collins Avenue and 25-59 Collins Park, Donnycarney, Dublin 9.

Proposal

A request to have the public right of way extinguished over the laneway to the rear of 80-118 Collins Avenue and 25-59 Collins Park, Donnycarney, Dublin 9 was received from residents. The extent of the proposed extinguishment is shown on Drawing No R.M. 26293 (copy attached). The North Central Area Committee at its meeting on 28th April, 2014, agreed to initiate the statutory procedures to extinguish the Public Right of Way over the above area.

Statutory Requirement

By public advertisement on 7th May, 2014 representations or objections were invited by 25th June, 2014. No objections were received.

Service Checks

A service check was carried out and there were no objections. Public Lighting Services require that one building mounted street light in this laneway is removed at an estimated cost of €350.00. Residents have been advised.

Recommendation

I recommend that the Committee approve the extinguishment of the public right of way over the area as shown on Drawing No. R.M. 26293 for consideration later by the City Council.

1	Parking Prohibitions	12734	ALL SAINTS DRIVE (NC-EA)	D5	School Keep Clear	outside Scoil Áine, Scoil Íde and Scoil Assaim.	cllr Haughey	Recommended	It is recommended that School keep clear markings be provided at the pedestrian entrance near the CARA Hall. School keep clear markings are in situ at the pedestrian entrance to Scoil Assaim and Scoil Áine. Double yellow lines have been provided across the vehicular entrance. Further measures are not recommended at these locations	0	05/06/2014
2	Traffic Conditions	12880	ARMSTRONG WALK (NC-EA)	D5	Speed Ramps	on the road.	Flanagan T.D.	Not Recommended	Following inspection, speed ramps are not recommended on Armstrong Walk as the warrant has not been met due to insufficient traffic volume and road length.	0	12/06/2014
3	Traffic Signs	12735	BETTYGLEN (NC-EA)	D5	Children Crossing Sign	near No. 165.	cllr Haughey	Not Recommended	The requested location does not meet the criteria for provision of a W142 sign. The recommended location will suffice for all roads within the Estate. However a "children crossing" sign(W142) is recommended at the junction of Howth Road & Maywood Crescent.	1	05/06/2014
4	Parking Prohibitions	12755	BRIGHTON AVENUE (NC-EA)	D3	Disabled Parking Bay (Residential)	outside No. 12, Brighton Avenue, Clontarf.	resident	Recommended	Following inspection on 9/7/2014, A disabled parking bay is recommended at 12 Brighton Ave located between the common boundary of no. 11/12 & 12/13. A full 6m bay is not possible to to limitation of 4.4m house width.	0	09/06/2014
5	Traffic Signs	12884	EDENMORE AVENUE (NC-EA)	D5	Children Crossing Sign	at Edenmore Mews.	dcc area office	Not Recommended	Following investigation a "children crossing" sign (W142) is not recommended at the requested location as it does not meet the criteria for locating such signs. However a (W142) sign is recommended at Springdale Road at the junctions of Edenmore Ave. & Edenmore Park as they are the entrance to a housing estate from a main traffic route. Children crossing signage has already been provided at the remainder of the approaches to Edenmore from Springdale Road, Tonlegee Road and Raheny.	0	20/06/2014

6	Traffic Signs	12165	GREENWOOD WALK (NC-EA)	D13	Stop Sign	on Greenwood Walk and at all junctions within Greenwood Estate.	Flanagan T.D.	Not Recommended	A yield sign is in place at the exit of Greenwood Estate approaching the roundabout. Under the road traffic act, traffic on a road ending at a T junction must give way to traffic from either direction on the other road. A stop/yield sign is not necessary where normal rules of the road apply, moreover such signs are only provided on approaches to major junctions, otherwise this would lead to a proliferation of signs throughout residential estates. Therefore this request is not recommended.	0	06/05/2014
7	Traffic Signs	11354	GRIFFITH COURT (NC-EA)	D9	Stop Sign	For vehicles exiting Fairview Community Care Facility, turning right into Griffith Court.	cllr O' Farrell	Not Recommended	As the T junction clearly denotes right of way to vehicles on Griffith Court, visibility is good at the turn and Griffith Court is not a major road it is not recommended to install and Stop or Yield sign at this location	0	24/03/2014
8	Traffic Signs	11355	GRIFFITH COURT (NC-EA)	D9	Children Crossing Sign	on Griffith Court.	cllr O' Farrell	Not Recommended	Dublin City Council does not recommend Children at Play signs as they have been shown to be ineffective at reducing speeds. The installation of "Children Crossing" signs are not recommended for use within cul de sacs so are not recommended at this location.	0	24/03/2014
9	Parking Prohibitions	5478	HOLLYBROOK ROAD (NC-EA)	D3	Disabled Parking Bay (Residential)	outside No. 27.	resident	Recommended	Recommended to install Disabled Parking Bay on western side of Hollybrook Road from the common boundary of properties 27 & 28 and running south for a distance of 6m.	0	04/12/2012
10	Traffic Signs	13121	MAYWOOD CRESCENT (NC-EA)	D5	Children Crossing Sign	on Maywood Crescent at the junction with Howth Road.	dcc traffic mgt	Recommended	Following investigation a "children crossing" sign(W142) is recommended at the junction of Howth Road & Maywood Crescent as it is the entrance to a housing estate from a main traffic route.	0	09/07/2014
11	Traffic Signs	13139	SPRINGDALE ROAD (NC-EA)	D5	Children Crossing Sign	at entrance to Edenmore Park at junction to Springdale Road.	dcc traffic mgt	Recommended	A Children Crossing sign is recommended at Springdale Road at the junction of Edenmore Park.	0	10/07/2014

12	Traffic Conditions	9222	STATION ROAD (NC-EA)	D5	Yellow Box	Outside vehicular entrance to Mother of Devine Grace Church.	cllr Crimmins	Not Recommended	The location in question does not generate the volumes of daily traffic using this entrance/exit to warrant the consideration of a yellow box on the carriageway. The reason Dublin City Council implements a strict set of criterion for assessing how roads and streets are designed, is so that a consistent and clear decision may be provided on requests from the general public, specifically with regard to yellow boxes. It is an objective to avoid the proliferation of yellow boxes along a carriageway as this may eventually promote a tendency for disregard by motorists.	0	21/10/2013
13	Parking Prohibitions	10380	THE COPSE (NC-EA)	D9	Double Yellow Lines	outside No. 9 and between lamp standard No. 8 and lamp standard No. 9.	resident	Not Recommended	Double yellow lines are provided to prevent congestion where parking interferes with traffic flows. No adverse problems impacting on traffic flow are anticipated by parking at this location. Vehicles parked along the road narrows the effective road width and naturally reduces vehicle speeds; double yellow lines are not recommended at this location.	0	23/01/2014

1	Parking Prohibitions	13209	ABBEYFIELD (NC-EA)	D5	Double Yellow Lines	at the exit of Abbeyfield (at the side of No. 41) and at the bend.	resident	Not Recommended	Double yellow lines have been provided on either side of the vehicular entrance of no 42 Abbeyfield to assist access to this property & no. 127 opposite. They run east of the access to no.42 for 2 meters and west of the access for 5 meters. The existing existing double yellow lines across no. 44 Abbeyfield were extended westwards for 2 meters from a point opposite the western entrance pier. Following further inspection on 23/7/2014 at 16:30 hrs. no problems were observed with regard to parked vehicles interfering with traffic movement. Therefore extending the existing parking restrictions is not recommended.	0	07/07/2014
2	Parking Prohibitions	13559	ALL SAINTS PARK (NC-EA)	D5	Parking Prohibition	at the shops.	Deputy Flanagan	Not Recommended	Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) i, it is illegal to park"on a footway,a grass margin or a median strip"; It is not recommended to introduce parking restrictions where restrictions are already covered under the law, as this would lead to a proliferation of same and additional expense due to maintenance etc. Infringements of the Act is being referred to Dublin Street Parking Services Ph.6022500 for enforcement under the law.	0	11/08/2014
3	Traffic Signs	13508	ASHCROFT (NC-EA)	D5	Yield Sign	T-Junction: Presently there are no road markings or yield signs so it unclear who has right of way.	resident	Not Recommended	Under the road traffic act, traffic on a road ending at a T junction must give way to traffic from either direction on the other road. A stop/yield sign is not necessary where normal rules of the road apply, moreover such signs are only provided on approaches to major junctions, otherwise this would lead to a proliferation of signs throughout residential estates.	0	01/08/2014

4	Parking Prohibitions	13509	ASHCROFT (NC-EA)	D5	Double Yellow Lines	On one corner of this T-junction and the subsequent corners.	resident	Recommended	Following inspection on 14/8/2014 at 08:00hrs. It is recommended that the existing double yellow lines on the south eastern side of the junction be extended around the corner for 14m, ending at a point opposite 5m south of Lamp standard no 15. In order to improve access and safety at the junction.	0	01/08/2014
5	Parking Prohibitions	13312	BELTON PARK ROAD (NC-EA)	D9	Double Yellow Lines	at the junction of Belton Park Road and Collins Avenue.	cllr O' Farrell	Not Recommended	A continuous white line exists for 20m on the approach to the junction of Collins Ave. Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) d, It is illegal to park "opposite a continuous white line" where roadway is less than 3 traffic lanes. It is not recommended to introduce parking restrictions where restrictions are already covered under the law, as this would lead to a proliferation of same and additional expense due to maintenance etc. Infringements of the Act is being referred to Dublin Street Parking Services Ph.6022500 for enforcement under the law. The renewal of the existing road markings has been forwarded to the Traffic Officer, who will have them repainted as soon as his work schedule permits.	0	21/07/2014
6	Parking Prohibitions	13068	CARNDONAGH LAWN (NC-EA)	D13	Double Yellow Lines	outside No. 41.	resident	Recommended	Following investigation Double yellow lines are recommended across the access lane for 4m eastwards from the boundary of no 41 Carndonagh Lawn.	0	02/07/2014
7	Traffic Conditions	11666	CARRAROE AVENUE (NC-EA)	D13	Speed Ramps	on the road.	cllr Brabazon	Not Recommended	Following inspection on 9/7/2014 it was observed that the warrant for traffic calming had not been met on grounds ie; <ul style="list-style-type: none"> • The road should have a straight run of at least 200m • The 85th percentile speed should be greater than 50 km/h • Traffic volumes should exceed 60 vehicles per hour Therefore traffic calming is not recommended.	0	08/04/2014
8	Parking Prohibitions	13627	CAUSEWAY ROAD (NC-EA)	D5	Double Yellow Lines	Request for double yellow lines at inner circumference of roundabout at causeway	dcc area office	Recommended	Following investigation, it is recommended that double yellow lines be provided on the entire inner circumference of the roundabout on the south Eastern end of the Causway Road. A distance of 158m.	0	18/08/2014

9	Traffic Conditions	11881	CLONSHAUGH CRESCENT (NC-EA)	D17	Speed Ramps	on the road.	Deputy Flanagan	Not Recommended	Following a speed survey carried out on Clonsbaugh Crescent, dated 04/09/2009 between the times of 13:00 and 13:30, speed ramps were not recommended on Clonsbaugh Crescent, as the survey did not meet the warrant for the provision of speed ramps. A further inspection on 7/07/2011, showed that the warrant for the provision of speed ramps had not been met. Following further examination on 14/7/2014, Traffic volume was low and minimum road length does not meet the warrant for calming. Therefore speed ramps are not recommended.	0	22/04/2014
10	Parking Prohibitions	12949	DONAGHMEDE AVENUE (NC-EA)	D13	Single Yellow Line	After House No. 2 northwards to the end of the road.	resident	Not Recommended	Property No. 2 Donaghmede Ave is close to the bend towards the end of a cul de sac. Traffic volume is low and there is adequate room for traffic to pass on this 7m wide carriageway. This request does not meet the criteria for the provision of parking restrictions and a single yellow line is therefore not recommended.	0	26/06/2014
11	Parking Prohibitions	12008	DONAGHMEDE ROAD (NC-EA)	D13	Double Yellow Lines (Extend)	Extend DYs from 117 Donaghmede Rd around corner to 1 Carndonagh Drive.	resident	Not Recommended	Substantial parking restrictions have been provided at the junction of Donaghmede Road and Carndonagh Road and also around the green at Carndonagh Lawn. Following inspection on 23/7/2014 at 15:45 no problems were observed with parked vehicles interfering with traffic movement. Therefore the provision of further parking restrictions is not recommended.	0	24/04/2014
12	Parking Prohibitions	12009	DONAGHMEDE ROAD (NC-EA)	D13	Double Yellow Lines (Extend)	Extend DYs opposite 38 Donaghmede Rd northwards by 1.5m.	resident	Not Recommended	Donaghmede Road has a carriageway width of 7m, which is wider than the average of 6m for an estate road. Substantial parking restrictions have been provided at the junction of Donaghmede Road and Newbrook Road. Following inspection on 23/7/2014 at 15:45 no problems were observed with parked vehicles interfering with traffic movement or visibility. Therefore the provision of further parking restrictions is not recommended.	0	24/04/2014
13	Traffic Signs	11461	ELM MOUNT ROAD (NC-EA)	D9	Children Crossing Sign	on the road.	cllr Horgan-Jones	Recommended	Following examination a "children crossing" sign (W142) is recommended at the junction of Malahide Road and Elm Mount Road and also the junction Collins Ave West and Celtic Park Road as they are the entrance to a housing estate from a main traffic route. These signs will suffice to cover the requested location.	0	31/03/2014

14	Traffic Conditions	13075	ELM MOUNT ROAD (NC-EA)	D9	Speed Ramps (Rescind)	and replace with Speed Cushions at the top end of the road in the vicinity of No. 106.	cllr Heney	Not Recommended	The existing ramps have been provided as a traffic calming measure to reduce speed and danger to pedestrians. The factors taken into consideration in locating ramps include, spacing between ramps, street lighting, location of driveways and proximity of junctions. Speed cushions are only provided on a bus and emergency service route, to facilitate emergency vehicles and safety of bus passengers. Therefore replacing the ramp with a speed cushion is not recommended.	0	04/07/2014
15	Parking Prohibitions	13117	ELM MOUNT ROAD (NC-EA)	D9	Double Yellow Lines (Extend)	at the 'Yield' sign at the side of Thorndale Medical Centre.	Deputy Bruton	Recommended	A continuous white line exists on Elm Mount Road running westwards as far as the junction with Thorndale Drive. A yield sign with associated road markings are in place 16m west of this continuous white line. Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) d, It is illegal to park; "opposite a continuous white line" where roadway is less than 3 traffic lanes. However it is recommended that double yellow lines be provided on the southern side of Elm Mount Road, located opposite the gap between both continuous white lines, for a distance of 10 m. The Traffic Inspector will arrange for re-painting of white lines where faded.	1	03/07/2014
16	Parking Prohibitions	11852	ELMFIELD WAY (NC-EA)	D13	Double Yellow Lines	opposite No. 35.	cllr Brabazon	Not Recommended	Following inspection on 23/7/2014 at 15:30 no problems were observed with parked vehicles interfering with traffic movement. The carriageway width is 7m which is adequate to facilitate access and egress to driveways. This request does not meet the warrant for parking restrictions, therefore the provision of parking restrictions is not recommended.	0	16/04/2014
17	Traffic Conditions	11472	FOXHILL AVENUE (NC-EA)	D13	Speed Ramps	on Foxhill Avenue at junction of Foxhill Park.	cllr Brabazon	Not Recommended	Following speed checks carried out on 21/7/2014 between 12:15-12:45 hrs little traffic movement was observed and the 85th percentile speed was 35k/hr. As this does not meet the warrant, traffic calming is not recommended.	0	31/03/2014
18	Traffic Conditions	12131	FOXHILL AVENUE (NC-EA)	D13	Speed Ramps	on Foxhill Avenue coming from the park.	cllr Brabazon	Not Recommended	Following speed checks carried out on 21/7/2014 little traffic movement was observed and the 85th percentile speed was 35k/hr. As this does not meet the warrant, traffic calming is not recommended.	0	02/05/2014

19	Parking Prohibitions	12136	FOXHILL AVENUE (NC-EA)	D13	Continuous White Line	at junction of Foxhill Park.	cllr Brabazon	Not Recommended	Continuous white lines are not provided in residential estates other than at locations where associated stop/ yield signs are provided. Therefore this request is not recommended.	0	02/05/2014
20	Parking Prohibitions	11471	FOXHILL CRESCENT (NC-EA)	D13	Speed Ramps	at junction of Foxhill Avenue.	cllr Brabazon	Not Recommended	Following speed checks carried out on 21/7/2014 little traffic movement was observed and the 85th percentile speed was 35k/hr. As this does not meet the warrant, traffic calming is not recommended.	0	31/03/2014
21	Parking Prohibitions	12132	FOXHILL CRESCENT (NC-EA)	D13	Continuous White Line	at the junction of Foxhill Avenue.	cllr Brabazon	Not Recommended	Continuous white lines are not provided in residential estates other than at locations where associated stop/ yield signs are provided. Therefore this request is not recommended.	0	02/05/2014
22	Traffic Conditions	12777	GRANGE ABBEY CRESCENT (NC-EA)	D13	Speed Ramps	on the road.	cllr Brabazon	Not Recommended	Following speed checks carried out on 21/7/2014 between 10:15-10:45 hrs little traffic movement was observed and the 85th percentile speed was 30k/hr. As this does not meet the warrant, traffic calming is not recommended.	0	06/06/2014
23	Traffic Conditions	11834	GRANGE ABBEY DRIVE (NC-EA)	D13	Speed Ramps	on the road.	cllr McDowell	Not Recommended	Following speed checks carried out on 21/7/2014 between 9:40 -10:10 hrs. Little traffic movement was observed and the 85th percentile speed was 39k/hr. As this does not meet the warrant, traffic calming is not recommended.	0	15/04/2014
24	Traffic Conditions	11499	GRANGEMORE AVENUE (NC-EA)	D13	Speed Ramps	on the road.	cllr Brabazon	Not Recommended	Grangemore Avenue has been traffic calmed with two 4.5m ramps and a mini roundabout at its junction with Curracloe Drive. These have been positioned in accordance with current best practice. The factors taken into consideration in locating ramps include, spacing between ramps, street lighting, location of driveways and proximity of junctions. Ramps are spaced about 80 to 100 metres apart, the profile resulting in more even speeds of 35 – 42 kph along the road, and less braking and acceleration, thereby reducing noise levels in built up areas. Therefore additional traffic calming is not recommended.	0	01/04/2014

25	Parking Prohibitions	11220	GREENWOOD AVENUE (NC-EA)	D13	Double Yellow Lines	at the green open space.	cllr Brabazon	Not Recommended	No problems were observed with vehicles parked at the public open space on Greenwood Avenue. As traffic movement is not being interfered with, the warrant has not been met and parking restrictions are therefore not recommended. However, due to persistent issues with access and children's safety, it is recommended that double yellow lines be provided around the southern side of the public open space on Greenwood Park extending around the corners for 5m. A total distance of 72m.	0	18/03/2014
26	Traffic Conditions	11497	GREENWOOD AVENUE (NC-EA)	D13	Traffic Calming	at the junction of Greenwood Way.	cllr Brabazon	Not Recommended	Greenwood Way ends at a T junction with Greenwood Avenue that ends in a cul de sac of 8 houses on the western side of the junction. Under the road traffic act, traffic on a road ending at a T junction must give way to traffic from either direction on the other road. Safety measures such as A stop/yield sign is not necessary where normal rules of the road apply, moreover such signs are only provided on approaches to major junctions, otherwise this would lead to a proliferation of signs throughout residential estates. In General measures such as signage and road markings are not provided in urban or residential estates where speed limits are restricted to 50k/hr.	0	01/04/2014
27	Traffic Conditions	11336	GREENWOOD DRIVE (NC-EA)	D13	Double Yellow Lines	adjacent to the Orchard aptment complex.	cllr Brabazon	Not Recommended	Substantial parking restrictions have been provided at The Orchard Apartments at Greenwood Walk, Greenwood Drive and around the corners of Greenwood Close. Further restrictions would move parking further west onto Greenwood Drive & Lawn. Moreover, following inspection on 2/7/2014 no problems were observed regarding parking interfering with traffic on either side of the Orchard Apartments. Therefore further parking restrictions are not recommended.	0	25/03/2014

28	Traffic Conditions	11337	GREENWOOD DRIVE (NC-EA)	D13	Traffic Calming	on the road.	cllr Brabazon	Recommended	Greenwood Drive does not meet the criteria for traffic calming on grounds of carriageway length and volume of traffic. However following observations on 2/7/2014, it is recommended that a 4.5m ramp be provided 10m west of Lamp Standard no.6 in order to slow vehicles approaching the acute bend from the west and Greenwood Lawn from the east.	2	25/03/2014
29	Parking Prohibitions	11391	GREENWOOD PARK (NC-EA)	D13	Double Yellow Lines	around the green open space.	cllr Brabazon	Recommended	Due to persistent issues with access and children's safety it is recommended that double yellow lines be provided around the southern side of the public open space on Greenwood Park extending around the corners for 5m. A total distance of 72m.	1	18/03/2014
30	Traffic Conditions	10621	KILLARY GROVE (NC-EA)	D13	Speed Ramps	on the road.	Deputy Flanagan	Not Recommended	The provision of traffic calming on Killary Grove is not recommended due to the Cul de Sac's traffic volume is less than the required 60 vehicles per hour and the section of carriageway in question is less than 100m in length. As the following criteria have not been complied with: <ul style="list-style-type: none"> • The road should have a straight run of at least 200m • Traffic volumes should exceed 60 vehicles per hour Therefore Traffic calming is not recommended.	2	05/02/2014
31	Traffic Conditions	12847	LEIN ROAD (NC-EA)	D5	Speed Ramps	on the road.	cllr Brabazon	Not Recommended	Traffic calming has been provided on Lein Road by way of 3 no 4.5m ramps. These ramps have been positioned in accordance with current best practice. The factors taken into consideration in locating ramps include, spacing between ramps, street lighting, location of driveways and proximity of junctions. These consist of 4.5m flat topped ramps 75mm high with 1: 15 slopes. Ramps are spaced about 80 to 100 metres apart, the profile resulting in more even speeds of 35 – 42 kph along the road, and less braking and acceleration, thereby reducing noise levels in built up areas. Further traffic calming is not recommended.	0	09/06/2014

32	Traffic Conditions	9071	MANOR DRIVE (NC-EA)	D13	Speed Ramps	on the road	cllr Mac Donncha	Not Recommended	Regarding this appeal against the non recommendation to provide ramps. Following further inspection on 2/7/2014 on observation, there were no extenuating circumstances that warrant the rescinding of the previous decision. The criteria as laid down by The Transportation and Traffic Strategic Policy committee has not been complied with . <ul style="list-style-type: none"> • The road should have a straight run of at least 200m • The 85th percentile speed should be greater than 50 km/h • Traffic volumes should exceed 60 vehicles per hour • There should be genuine road safety concerns based either on actual accident statistics or on observed road safety patterns or written report from an Gardaí. 	0	21/10/2013
33	Traffic Signs	10587	MAYWOOD AVENUE (NC-EA)	D5	Children Crossing Sign	at junction of Avondale Park.	cllr Horgan-Jones	Not Recommended	Dublin City Council does not recommend the 'Children at Play' signs or 'children ahead' signs except in the proximity of schools or adjacent to designated play areas such as parks, if appropriate. They are not regarded to be effective at changing driver behaviour on the road or reducing speeds. The excessive allocation (or proliferation) of such warning signs also undermines their effectiveness at better warranted locations such as schools/parks.	0	06/02/2014
34	Traffic Conditions	12817	MC AULEY DRIVE (NC-EA)	D5	Speed Ramps	on the road.	cllr Brabazon	Not Recommended	Following examination, McAuley Drive together with the section of Lein Road west of the public open space do not meet the criteria for the provision of ramps. The criteria as required has not been complied with . <ul style="list-style-type: none"> • The road should have a straight run of at least 200m • The 85th percentile speed should be greater than 50 km/h • Traffic volumes should exceed 60 vehicles per hour • There should be genuine road safety concerns based either on actual accident statistics or on observed road safety patterns or written report from an Inspector of the Garda Traffic Division, Dublin Castle relating to an issue of safety. Therefore speed ramps are not recommended.	0	09/06/2014

35	Traffic Conditions	7428	MOUNT PROSPECT AVENUE (NC-EA)	D3	Roundabout	at the junction of St. Gabriel's Road.	Deputy Flanagan	Not Recommended	Mount Prospect Ave. has been extensively traffic calmed with speed cushions provided throughout its entire length. Cushions are located in the optimum position with regard to best design practice taking into account its position relative to the other ramps on the road and also maximising visibility under lamp standards where possible. Further calming is not recommended. Mini roundabouts are no longer considered to be best practice as they promote the better progress of vehicular traffic only. A mini roundabout is not in the interest of the safety of cyclists, pedestrians or the mobility impaired.	4	28/05/2013
36	Parking Prohibitions	12041	OULTON ROAD (NC-EA)	D3	Double Yellow Lines	At the entrance to Clontarf Lawn Tennis Club.	cllr O' Farrell	Recommended	Following inspection on 6/8/2014, it is recommended that double yellow lines be provided for 2m on either side of the entrance to the Tennis Club & 4.6m opposite. In order to improve access for emergency vehicles.	0	28/04/2014
37	Parking Prohibitions	9185	SHANOWEN CRESCENT (NC-EA)	D9	Single Yellow Line	Request for single yellow line at the entrance to Shanowen Crescent.	cllr Montague	Not Recommended	An inspection of Shanowen Crescent was carried out on July 23rd 2014. Existing double yellow lines are in place on the west side of the junction. No illegal parking was noted in close proximity to the junction. A single yellow line is not recommended. If illegal parking occurs at the junction, the applicant may contact the Dublin City Councils parking enforcement contractor, Dublin Street Parking Services at 6022500 who will carry out an inspection and take appropriate action. The traffic officer will arrange for re-painting of existing double yellow lines.	0	21/10/2013
38	Traffic Conditions	10467	SLADEMORE AVENUE (NC-EA)	D13	Speed Ramps	on the road.	Deputy Flanagan	Not Recommended	Following speed checks carried out on 21/7/2014 between 11:35-12:05hrs, the 85th percentile speed was 36k/hr. As this does not meet the warrant, traffic calming is not recommended.	2	31/01/2014

39	Traffic Conditions	11880	SWIFT'S GROVE (NC-EA)	D17	Speed Ramps	on the road.	Deputy Flanagan	Not Recommended	Following examination, Swifts Grove does not meet the criteria for the provision of ramps. The criteria as required has not been complied with <ul style="list-style-type: none"> • The road should have a straight run of at least 200m • The 85th percentile speed should be greater than 50 km/h • Traffic volumes should exceed 60 vehicles per hour • There should be genuine road safety concerns based either on actual accident statistics or on observed road safety patterns or written report from an Inspector of the Garda Traffic Division, Dublin Castle relating to an issue of safety. Therefore speed ramps are not recommended.	0	22/04/2014
40	Parking Prohibitions	8928	VERNON AVENUE (NC-EA)	D3	Double Yellow Lines	at the junction of Vernon Avenue and Seafield Road West, on either side of the entrance to the car park to the shops and at the bus stops on Vernon Avenue.	resident	Recommended	While it is illegal to park on the corner of a junction, double lines are recommended at the junction of Vernon Avenue and Seafield Road West to clarify better that vehicles should not park on junction corners (these double yellow lines have been installed). However, additional double yellow lines are not recommended to prevent parking outside the commercial section of Vernon Avenue. Road widths and sight lines are sufficient for safe driving. DCC does not typically install double yellow lines at a bus stop, these are also not recommended	3	01/10/2013
41	Traffic Signs	13090	WHITETHORN AVENUE (NC-EA)	D5	Yield Sign	at the junction of Whitethorn Rise.	Deputy Bruton	Not Recommended	Whitethorn Rise ends at a signalised T junction. A stop/yield sign is not needed where traffic signals are provided.	0	30/06/2014

42	Parking Prohibitions	13161	WHITETHORN RISE (NC-EA)	D5	Parking Prohibition	Request for parking restrictions.	cllr Horgan-Jones	Not Recommended	<p>Double yellow lines have been provided on either side of Whitethorn Rise at its junction with Skelly's Lane extending 25m on the west side & 30m on the eastern side of the carriageway.</p> <p>Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) c, It is illegal to park;</p> <p>"within 5 meters of a road junction;</p> <p>Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) a, "on that side of a section of roadway along the edge of which traffic sign number RRM008 (double yellow lines) have been provided."</p> <p>Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) d, "opposite a continuous white line" where roadway is less than 3 traffic lanes.</p> <p>Parking restrictions are not recommended where restrictions already apply.</p>	0	24/03/2014

Item No.

With reference to the proposed disposal of the Fee Simple interest in the property known as No. 106 Upper Drumcondra Road, Dublin 9

Dublin City Council hold a site at Upper Drumcondra Road in fee simple subject to and with the benefit of a lease to Joseph J. Flanagan dated 22nd July 1927 for a term of 150 years from the 29th September 1926 subject to an annual rent of €63.50 (£50.00).

By way of Indenture of Sub-Lease dated the 16th June 1928 a portion of this site now known as No. 106 Upper Drumcondra Road was sub-leased by Joseph J. Flanagan to Brigid Coghlan for the term of 148 years from the 25th March 1928 subject to a yearly rent of €25.40 (£20.00).

Oisin Nolan Solicitors acting on behalf of Ann Harper, Dervilla Whelan and Paul Casey who claim to hold the sub-lessee's interest has applied to purchase the fee simple in the premises which is more particularly shown outlined in red on Map Index No.SM-2014-0238-002. The Law Agent has confirmed that the sub-lessee's have a statutory entitlement to acquire the Council's fee simple interest therein.

It is proposed to dispose of the fee simple in the premises 106 Upper Drumcondra Road to Ann Harper, Dervilla Whelan and Paul Casey for the sum of five thousand euro and subject to terms and conditions:

1. That the property comprises an area of c. 135m² and is shown outlined red on the attached copy Map Index No. SM-2014-0238-002.
2. That Dublin City Council holds the fee simple Interest in the property.
3. That the site is held under Indenture of a Lease dated 22nd July 1927 to Joseph J Flanagan for a term of 150 years, commencing on 29th September 1926 and subject to a rent of €63.50 per annum.
4. That the purchase price for the fee simple interest shall be the sum of €5,000 (five thousand euro), plus VAT if applicable, to be apportioned between Dublin City Council and the Head Lessee. Price applicable for a period of six months only from the date of this letter.
5. That the portion of the purchase price payable to Dublin City Council shall be the sum of €3,250 (three thousand, two hundred and fifty euro), plus VAT if applicable.
6. That the portion of the purchase price payable to the Head Lessee shall be the sum of €1,750 (one thousand, seven hundred and fifty euro), plus VAT if applicable.
7. That the annual head rent payable shall be reduced by €15.90 per annum as a result of this transaction.
8. That the purchasers shall be prepared to pay any rent, rates and charges outstanding up to and including the date of sale.

9. That the purchasers shall pay the City Council's professional fees of €800 plus VAT and the legal costs of transfer of €850 plus VAT.
10. That this proposal is subject to the necessary consents and approvals being obtained.

Re: Item for September 2014 North Central Area Committee Meeting- Ref: 4803

I refer to an item agreed arising from North Central Area Committee Meeting held on 21st July, 2014, Ref: 4803, Items for the following meetings : Grass Cutting contract specifications in the North Central Area. Landscape maintenance operations, on soft landscape public open space, including grass cutting is carried out throughout the city by Parks and Landscape Services through a combination of direct labour units and contract. The contract is over a three year period and applies to a range of roadside margins, roadside open space, and public open space which is mapped. The current contract runs for the period of 2013 to 2016 inclusive. The contract is supervised by the supervisory staff of Parks and Landscape Services in each of the service's administrative districts of which there are three that overlap with the North Central Area.

The Landscape Maintenance 2013-2016 contract is designed to achieve a consistently good standard of presentation of contract maintained areas appropriate to the function and use of the open space, and is a performance based contract. With regard to grass mowing it provides for regular mowing operations during the growing season, at a frequency not to require removal of cuttings in order to sustainably maintain the quality of the sward without requiring to add nutrients, or to have additional disposal pressures on landfill facilities, or other disposal facilities. The frequency of such works is on an approximate 14 day cycle (grass margins and roadside open space), and 7day cycle for residential open space and small parks defined. The works include litter picking, mowing and weed control as per maintenance schedule, and inclusive of critical dated, with mowing maximum height 60mm, subject to the type of open space. It is a requirement of the contract that contractors provide tick sheets of completed works which are received and assessed by supervisory staff of Parks and Landscape Services, prior to certification of payment which is ongoing through the period of the contract. Contractors are also required to adhere to a range of statutory regulation including such areas as employment, machinery, welfare health and safety at work.

Grass maintenance operations are influenced by growing conditions, ground conditions and weather conditions which can impact specific schedules as it can with the direct labour delivery of such operations, and the impacts are discussed with contractors during the course of the contract. When areas are missed and/or complaints are received, and concerns are raised by the public or public representatives, these issues are brought to the attention of the contractors by this service at the earliest possible time. Should the standards indicated in the contract not be met Parks and Landscape Services can withhold payment until the required standard is achieved. There are a number of contractors employed under the contract of which one is dedicated to that area which forms the current North Central Area.

Report re use of Pavilion in Fairview Park

Dublin City Council developed a changing room pavilion at Fairview Park which has been in use since autumn 2012. The facility has been made available for use by local sports clubs mainly from the north inner city through a sports permit application process on a room to room basis.

There is a charge for the use of these changing rooms. The charge is a contribution towards the maintenance and running costs associated with the changing rooms use. Clubs will be charged €200 per room for the 2014/15 season. The current charge does not meet the full costs to run the building. Should all ten rooms be paid for by the current user groups, Dublin City Council will receive €2,000 from clubs in relation to paying the pavilions bills.

HIGHLIGHTS OF SUMMER 2014

Donnycarney Bike week Event

On Tuesday June 17th Le Cheile Community and Youth centre in Donnycarney played host to a wonderful bike event. Coordinated by DCC staff in partnership with youth workers, local Garda and Juvenile Liaison Officers the event was very successful. The event ran from 3.30 to 6pm and attracted 30 young people and their families. On the day there were numerous events that young and old could participate in such as bicycle limbo, emergency stop, balance tests, slalom courses and a road skills test. Bicycle themed quizzes and puzzles were also present on the day. The opportunity was given for attendees to have their bicycles repaired and to sign up for a bicycle maintenance programme. All young people received a goody bag and a medal for participation while winners of the various events won medals also. A special award went to two girls who remembered to bring their own helmets.

CDYSB Sports Integration Week

60 young people aged 13-15yrs from 7 Youth Projects in the North Central Area took part in the annual CDYSB Sports Integration Week. This week involved planning, organising and delivering 3 days of competition and an away day for all groups to enjoy new friendships made. Over the 4 days the young people took part in league format of competitions in 8 events in 5 venues. The sports included basketball, volleyball, dodgeball, Olympic handball and Athletics events Shot putt, javelin, 80 metre sprint, long jump and 400m relay. Facilities used were Le Cheile, St Monica's YC, ALSAA Sports Hall and Irishtown Stadium. On the morning of the first day all young people and leaders took part in a number of ice breaker games to allow the groups to get to know each other prior to the competition starting. This helps enormously in setting the tone for the 4 day event and creating an environment focussed on fun and fair play with a healthy competitive edge. The event ran from 11am to 4:30pm each day with teams playing in around robin competition to gather points for winning as well as fair play. On the 4th day all the young people that took part spent the day in Zipit Tibbradden where the overall winners and the winners of the Fair Play award were announced. In a very close competition St Monica's Youth Project was crowned winners for 2014 and Trinity Youth Project took the Fair Play award.

CITYWIDE INITIATIVES

SPORTS CAPITAL GRANT APPLICATIONS

The funding for projects in 2014 was divided into two streams. One stream of funding was designated for local projects and the other for regionally focused projects. On 3rd July the Department announced the allocation nationally for 880 separate projects throughout the country. Dublin City Council applied for funding for 23 projects under the local funding stream and was successful with 20 of these applications.

Name of Project	Grant Awarded
Ellenfield Park - Whitehall	22,766.00
Kildonan Park - West Finglas	26,320.00
Kilbarrack Roseglen	155,648.00
Mellowes Park - Finglas Leisure Centre	38,639.00
Herzog Park - Rathgar Tennis Club	24,989.00
Dartry Park - Dartry, Clonskeagh, Rathgar, Milltown, Rathfarnham and Rathmines	31,292.00
Coultry Park - Ballymun	8,625.00
Bunting Road - Walkinstown and Crumlin	31,292.00
(Lansdowne) Valley Park - Bluebell, Inchicore and Drimnagh	31,291.00

Dublin City Council & St Malachy's Football Club -	150,000.00

Dublin City Council also made nine regional applications, all of which were considered valid by the Department but due to the level of demand for funding and the amount of funding available under the Programme, it was unfortunately not possible to allocate grants to every eligible applicant and only the following application, for works at Springdale Road, Edenmore, was successful on this occasion.

NAME OF PROJECT	GRANT AWARDED
Springdale Rd, Edenmore	€150,000.00

The Department of Transport, Tourism and Sport has indicated that as all of the funding for the 2014 Sport Capital Programme has been allocated, there is no more funding available at this time.

DUBLIN CITY COUNCIL SWIMMING POOLS

The refurbishment to the swimming pool located on Sean McDermott Street, Coolock and Crumlin are near completion, with the final works taking place in the Crumlin Swimming pool. Both Sean McDermott and Coolock have reopened and are currently taking bookings for the remainder of 2014.

For further information regarding booking the Swimming Pool please contact 01 – 2222163.

LORD MAYOR 5 ALIVE CHALLENGE UPDATE MAY

Following on from last years success of the Lord Mayor 5 Alive Challenge, Lord Mayor Oisín Quinn agreed the initiative was well worth rolling out again in 2014.

The Challenge has now finished and the last race was the DCC/BHAA race on the 5th April. Over 140 people completed all five races and the Lord Mayor hosted the reception at the Mansion House on Friday 9th May. Over 140 people attended and received their scroll and medal. Jim Aughney organiser of the Dublin City Marathon and the Race Series in the Phoenix Park and Dick Hooper were guest speakers on the night. The programme was evaluated by the coordinator by developing a questionnaire through Survey Monkey, 79 people completed the questionnaire which gave great feedback on the programme and suggestions on how to improve the initiative going forward in 2015. Meeting for Lord Mayor Challenge 2015 taking place in Mansion House on 12th August.

GO FOR LIFE GAMES

On Saturday 7th June Age & Opportunity hosted their 3rd annual Go For Life Games and Dublin City Council sent their selected team of 15 (male & Female) which were chosen from our trial Go for Life games in Cabra Parkside on 30th May to go forward and take part in the games. The team competed against other counties in three games. 1) Flisks 2) Bowling 3) They enjoyed the day were they were provided with refreshments and a hot meal. The older adult groups will continue to play these games going forward into 2015 and compete again in early 2015 to play for Dublin City.

DCSN YOUNG PEOPLES SMALL GRANT SCHEME – JUNE 2014

Over 100 applications were received from various sports clubs operating across the City. A total of 89 clubs were successful in their grant application and each awarded €568.00. Following on from the Grant Applications we will now use this base line data to develop a questionnaire for clubs through Survey Monkey to see what are the needs and supports that clubs are looking for and if we can provide assistance to these clubs through our club development workshops. The Questionnaire will go out to all clubs in September.

Next DCSN meeting will take place on 10th September.

BIKE WEEK - 14TH – 22ND JUNE 2014

Following on from the planning stages of the partnership between Dublin City Council Sport & Recreation Section and the Roads & Traffic planning department, a successful roll out of local programmes were delivered by the Sport & Recreation Development Team. A total of 6 programmes were rolled out across the City for people of all ages and abilities, types of programmes delivered were taster bike sessions, Cycle Safe courses, BMX mountain biking and even Track Cycling. One of the programmes provided the children with an amazing opportunity to be part of the International Track Cycling Grand Prix at the Velodrome on Sundrive Road by taking part in their own track cycling race as part of the DCC /Track Cycling Superstars programmes.

DUBLIN CITY SPORT & RECREATION EZINE

The Ezine has been created to promote and advertise the programmes & initiatives that the Sport & Recreation Officers continue to plan implement and deliver on the ground. There will be two Ezines per year (1st and 2nd Q) and it will be emailed both internally and externally to all relevant agencies/organisations/National Governing Bodies/Coaches/Clubs & Local Sports Partnership. The Ezine will be used as a tool to highlight and advertise our programmes and to keep all key stakeholders up to date with up and coming programmes and events. The 1st Ezine will be released week commencing 18TH August.

SMARTER TRAVEL WORKPLACES PEDOMETER CHALLENGE 2014 (8TH SEP – 5TH OCT)

This year the Sport & Recreation Section will be responsible for the roll out of the Smarter Travel Workplaces pedometer challenge for Dublin City Council. This four week initiative aims to get people moving and walking more by using their very own pedometer to count and record their steps. They must enter as part of a team of four and prizes will be awarded to the teams who cumulate the most points. It is hoped that we will use this initiative as a catalyst to try and create walking groups within the workforce and encourage staff to get active by walking and cycling.

DIT /FAI & DCC SPORT & RECREATION SPORT FOR ALL MODULE

This project is at the planning stages but will see a joint partnership with DIT /FAI and Dublin City Sport & Recreation in proving Leisure Management students with a new module based on the principles and framework of the Gaelic 4 Girls programme. It will offer both coaching and refereeing qualifications, with a specific focus on disability sports inclusion. DCC Sport & Recreation officers will use these student coaches to help deliver specific soccer focused disability programmes in their local areas. The students will also have access to the CARA Disability Inclusion Training course that is facilitated by the Dublin City Sports Network .It is hoped this module will be available to offer to the students in September.

DIT CARA TRAINING

It is planned that the 3rd DIT CARA Sports Inclusion Disability training will be delivered in October (date TBC)

The course is aimed at providing leaders, coaches, Sport development staff and volunteers in sport with knowledge and awareness on how to include people of all ages with disabilities in their sport.

The course is certified by Coaching Ireland.

DCSN / DCSN SPECIAL PROJECTS WORKING GROUP

The next DCSN Meeting is scheduled for Wednesday 10th September. A special projects subgroup of the network has been formed to work towards planning & implementing potential new projects that can be delivered in the local community with specific focus on identified gaps & needs within those communities. The subgroups has met and are currently working on finer details of the programme and will have a report ready for the above meeting.

The coordinator has been elected onto the board of the Federation of Irish Sport, it is hoped that this election can only strengthen the link with Dublin City Council Sport & Recreation and be an invaluable partnership in terms of promoting the ongoing work Dublin City Council do in terms of sports provision.

DUBLIN LOCAL SPORTS PARTNERSHIP ANNUAL SPORT DEVELOPMENT SEMINAR THEME 2014: SUPPORTING PHYSICAL ACTIVITY & SPORT IN SCHOOLS

Each year the Dublin /Wicklow &Kildare Local Sports Partnership collaborate in a joint Sport & Physical activity development seminar, and each year there is a different theme and focus group decided on. This year we aim to provide as much information to schools, as to what they can access and do in terms of promoting sport & physical activity within the school setting. The proposed date is 1ST October and venue TBC. Dublin City schools will receive letters inviting the principal and responsible teacher for PE/Sport /physical Activity to the 4 hr seminar.

There will be guest speakers from ESRI to share up to date sport research, Active Schools Presentation, representation from the IPPEA and other TBC. Each Local Sports Partnership will also present a case study from one of their schools who were successful in implementing a sports programme/project.

Operation Transformation- planning for this will begin in Sep /Oct
