MOTIONS:

4843. Motion in the name of Councillor Alison Gilliland

That Dublin City Council make available and open temporarily to the residents of Belmayne the DCC owned land in front of Belmayne Estate bordered by the Malahide Rd. This area of land is flat, it is well fenced off and secure and is maintained by the Housing Department of the DCC. While the area forms part of DCC strategic landbank for future housing development no such plans for development are in place. The residents of Belmayne are currently suffering from the impact of an unfinished estate with very few green areas for children and older teens to play in. This well-maintained area would provide a ready-made secure green space for such recreational activity adjacent to the estate and within a view of many parents living in the estate until such time development begins on the land.

Order: Motion carried. Report to Councillor

4844. Motion in the name of Councillor Deirdre Heney

That the laneway that joins La Vista Avenue to Killester Park be cleared of overgrowing Ivy, bushes weeds etc and cleared of rubbish and that the manager examine the possibility of making safe the 3 steps at the entrance to the lane from La Vista Avenue as local elderly

residents complain that these steps are hazardous with broken concrete piece(s) at the base as well as the fact that there is no hand rail – residents report that the steps are quite hazardous, particularly for the two blind people who live nearby.

Order: Report to Councillor

4845. Motion in the name of Councillor Naoise O’Muirí

That the Manager please outline when the road at Windsor Villas was last resurfaced and consider it for inclusion in the next resurfacing programme.

Order: Report to Councillor

4846. Motion in the name of Councillor Micheál MacDonncha

In light of the widespread community-based and community-led peaceful protest and resistance to the imposition of the double taxation of water charges, notably in the North Central Area of Dublin City Council and across the city and country, this Area Committee calls on the Government to adhere to the democratic wishes of the people, as expressed in the May 2014 local and European elections and abolish these charges, investing the funding reserved for installation of water meters in the repair and upgrading of the water infrastructure.

RE: Fingal County Council, proposed Part 8 for Moyne Road / Hole in the Wall Junction Improvement Scheme

Fingal County Council are currently preparing preliminary design drawings for Moyne Road/ Hole in the Wall Junction Improvement Scheme (see attached drawing). The majority of the roads scheme is within the administrative area of Fingal County Council but will require to be linked into the existing road network at the Hole in the Wall / Marrsfield Avenue junction. This will require the upgrade/ reconstruction of portion of the existing spur road constructed as part of the Clongriffin development south of the Mayne River which forms the boundary line between the administrative areas of Fingal County Council and Dublin City Council. To enable this partial road reconstruction to be incorporated into the scheme, Fingal County Council proposes to enter into a section 85 agreement, under the Local Government Act 2001, with Dublin City Council. This agreement will facilitate the full scheme, proceeding to public consultation under the **Planning and Development Acts, 2000 – 2014, & Part 8 of the Planning and Development Regulations 2001 – 2013.**

The Moyne Road extends from the Malahide Road (R107) at Balgriffen to the Coast Road (R106) between Portmarnock and Baldoyle. At present a non-signalised staggered junction arrangement exists between the Moyne Road (R123), The Hole in the Wall Road and the Drumnigh Road (R124). The aim of the scheme is to replace the current staggered junction arrangement with a standard controlled cross road arrangement. The upgraded junction/ road layout will enhance vehicular safety, provide dedicated controlled pedestrian/ cycle crossing locations and facilitate the upgrade of the public transport services by way of extensions to the current bus lane layouts in the Belmayne/ Clongriffin/ Donaghmede areas.

Dublin City Council Roads and Planning Division have reviewed the preliminary design drawings and are happy with the scheme to proceed subject to a Section 85 Agreement.

**With reference to a proposal to initiate the procedure for the extinguishment of the Public Right of
Way over laneway to the rear of 128 – 138B Collins Avenue and 73 -81 Collins Park, Dublin 9.**

Proposal

A request to have the public right of way extinguished over the laneway to the rear of 128-138B Collins Avenue and 73-81 Collins Park was received from the Residents. The reason for the closure is to prevent anti-social behaviour. The proposed method of closure is by means of lockable gates. The extent of the proposed extinguishment is shown on Drawing No RM 24462 (copy attached).

Service Checks

A service check has been initiated.

Statutory Requirement

The statutory procedure involves giving public notice of the proposal in one or more newspapers circulating in the City and the affixing of that notice at each end of the right of way for a period of not less than 14 days. Any objections or representations made and not withdrawn shall be considered. The extinguishment of a public right of way is a function reserved to the elected members of the City Council.

Recommendation

I recommend that procedures be initiated under Section 73 of the Roads Act 1993 to extinguish the public right of way over the area indicated on Drawing No. RM 24462.

The following items for the North Central Area were considered by the Traffic Advisory Group at its meeting held on 28th October 2014.

North Central Nov Area Agenda 17/11/14 (TAG Date: 28/10/14)											
Item	Request	Ref	Road	Post-code	Topic	Request Description	Request by	TAG Result	TAG Comments	Sec	Date Rec'd
1	Traffic Signs	14465	BROOKFIELD (NC-EA)	D5	Children Crossing Sign	"Children-at-play" sign for Brookfield.	deputy Flanagan	Not Recommended	Following examination a "children at Play" sign(W142) is not recommended at this location as the location does not meet with the guidelines set down for their introduction, where such signs are not recommended in cul-de sacs.	0	06/10/2014
2	Parking Prohibitions	14326	CASTLE AVENUE (NC-EA)	D3	Double Yellow Lines	from Victoria Road junction to outside No. 17.	deputy Flanagan	Not Recommended	Double yellow lines are provided to ensure the smooth flow of traffic and prevent congestion where parking causes congestion which would interfere with traffic flows on a daily basis. Following recent site visits, no adverse problems regarding parking were observed. It is illegal to park within 5 meters of a road junction and in a manner that will result in the vehicle obstructing a vehicle entrance. It is not recommended to introduce parking restrictions where restrictions are already covered under the law. Infringements of the Act should be reported to the Gardai or Dublin Street Parking Services Ph.6022500 for enforcement under the law.	0	29/09/2014
3	Traffic Signs	14033	CLONSHAUGH ROAD (NC-EA)	D17	Children Crossing Sign	At the 3 entrances to Riverside estate.	cllr O' Toole	Recommended	Following investigation, "children crossing" signs are recommended at the junctions of Riverside Park and Clonshaugh Road and Riverside Road and Clonshaugh Road and also at Riverside Park and Greencastle Road (see sr 14588) as they are at the entrance to a housing estate from a main traffic route.	0	15/09/2014
4	Traffic Conditions	12440	CONQUER HILL ROAD (NC-EA)	D3	Traffic Calming	on the road.	cllr Horgan-Jones	Recommended	Following the removal of the island at the entrance to the cul de sac, existing traffic calming effects have been reduced. Therefore it is recommended that an additional 4.5m ramp be provided 8m north of lamp standard no 4 adjacent to house no 28,north of road gully. To be considered for inclusion on a future years works programme.	1	19/05/2014
5		14570	COOLOCK DRIVE (NC-EA)	D13	Double Yellow Lines	on exiting the Aldi carpark.	dublin bus	Recommended	Following inspection on 15/10/2014 it is recommended that double yellow lines be provided running northwards for 10m from the northern gate post at the vehicle exit at Aldi. Also the existing yellow lines at the bus stop south of the exit to be extended southwards for 6m.	0	10/10/2014

6	Traffic Conditions	14569	ELM MOUNT AVENUE (NC-EA)	D9	Traffic Calming	on the road.	deputy Flanagan	Not Recommended	Traffic Calming has been provided on Elm Mount Avenue to deter speeding and minimise rat running. Other measures provided to reduce congestion would be the introduction of Turn Bans. However this would cause inconvenience to local residents and create adverse traffic conditions on surrounding roads where traffic has been diverted. Therefore further measures are not recommended.	0	06/10/2014
7	Traffic Signs	14044	ENNAFORT PARK (NC-EA)	D5	Children Crossing Sign	At No. 83, on the cul-de-sac.	cllr Heney	Not Recommended	A "caution Children" sign (W142) has been provided at the junction of Ennafort Park and Howth Road as it is the entrance to a housing estate from a main traffic route. This will suffice to serve the Cul De Sac at no.83 which in itself would not meet the criteria for provision of such signs.	1	15/09/2014
8	Parking Prohibitions	12744	FAIRVIEW STRAND (NC-EA)	D3	Disabled Parking Bay (General)	outside the chemist at Nos. 2-4.	cllr Haughey	Not Recommended	A Clearway exists on this section of Fairview Strand. Parking on a clearway is illegal, therefore a disabled bay at this location is not recommended.	0	05/06/2014
9	Parking Prohibitions	12539	FURRY PARK ROAD (NC-EA)	D5	Double Yellow Lines	outside no. 4.	deputy Bruton	Not Recommended	The carriageway is 6m wide on this one way section of Furry Park Road. Following observation on 9/10/2014 no problems were observed regarding circulation and turning movements or with parked vehicles interfering with same. Under The Road Traffic (Traffic & Parking) Regulations, it is illegal to park blocking an entrance. It is not recommended to introduce parking restrictions where restrictions are already covered under the law, such as yellow lines, as this would lead to a proliferation of same and additional expense due to maintenance etc. Infringements of the Act is being referred to Dublin Street Parking Services Ph.6022500 for enforcement under the law.	2	20/05/2014

10	Parking Prohibitions	11622	GRANGE PARK VIEW (NC-EA)	D5	Double Yellow Lines	at the dishings outside the KLEAR Adult Education Centre.	deputy Flanagan	Not Recommended	<p>Following inspection on 13/10/2014 at 17.15hrs and previously on 7/7/11 no problems were observed as both entrance and exit to the premises were unobstructed.</p> <p>A single yellow line is provided restricting parking from 07:00 to 9:00 Mon to Sat. west of the gateway on Grange Park View with double yellow lines on the east side of the gate.</p> <p>Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) g; "A vehicle shall not be parked in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises;"</p> <p>It is not recommended to introduce parking restrictions where restrictions are already covered under the law.</p> <p>Infringements of the Act should be reported to the Gardai or Dublin Street Parking Services Ph.6022500 for enforcement under the law.</p>	0	07/04/2014
11	Traffic Signs	12283	GRANGE ROAD (NC-EA)	D13	Children Crossing Sign	at the junction of Grange Road and Grange Abbey Road.	cllr Brabazon	Not Recommended	<p>Inspected location on 6/10/ 2014. A "children crossing" sign (W142) has been installed at the junction of Hole In the Wall Road and Grange Abbey Road. No further action needed.</p>	0	12/05/2014
12		14588	GREENCASTLE ROAD (NC-EA)	D17	Children Crossing Sign	at the junction of Riverside Park and Greencastle Road.	cllr O' Toole	Recommended	<p>Following investigation, a W142 "children crossing" sign is recommended at the junction of Riverside Park and Greencastle Road as it is the entrance to a housing estate from a main traffic route (see also sr 14033).</p>	0	15/09/2014
13	Parking Prohibitions	12141	HOLYWELL AVENUE (NC-EA)	D13	Double Yellow Lines	Opposite No's 1-5 (inclusive).	resident	Not Recommended	<p>This is a relatively quiet residential estate. The carriageway is sufficient to accommodate parked vehicles on either side of the carriageway between properties. No 1- 5 Holywell Avenue. Vehicles may have to negotiate this short distance with a single lane should vehicles be parked on both sides of the carriageway. Subsequently, outside the crèche, this may be considered an effective traffic calming measure for vulnerable road users at crèche opening/closing times.</p> <p>Holywell Avenue is accessible from two directions; an alternative access route is available via Holywell Crescent if desired.</p>	0	06/05/2014

14	Parking Prohibitions	11514	KILBARRACK AVENUE (NC-EA)	D5	Double Yellow Lines	outside No. 2.	deputy Flanagan	Not Recommended	Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) g; "A vehicle shall not be parked in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises;" It is not recommended to introduce parking restrictions where restrictions are already covered under the law, such as providing yellow lines outside individual premises, as this would lead to a proliferation of same and additional expense due to maintenance etc. Infringements of the Act are being referred Dublin Street Parking Services Ph.6022500 for enforcement under the law.	0	02/04/2014
15	Traffic Signs	13785	KINCORA DRIVE (NC-EA)	D3	Children Crossing Sign	on the road.	deputy Flanagan	Not Recommended	Following investigation a "children crossing" sign (W142) is not recommended at Kincora Drive as it does not meet the criteria for provision of such signs. Namely it is not the entrance to a housing estate from a main traffic route.	0	25/08/2014
16	Traffic Signs	12848	LEIN ROAD (NC-EA)	D5	Children Crossing Sign	on the road.	cllr Brabazon	Recommended	Following investigation a "children crossing" sign (W142) is recommended at the junction Harmonstown Road and Lein Road as it is the entrance to a housing estate from a main traffic route.	0	09/06/2014
17	Traffic Signals	13409	MALAHIDE ROAD (NC-EA)	D5	Right Turn Filter Light	from Malahide Road into Kilmore Road.	cllr Heney	Not Recommended	A review of the signal operation was carried out at the junction of Malahide Road/Kilmore Road. There are no plans to reinstate the right turn filter light for traffic on the Malahide Road turning into Kilmore Road. However, driver behaviour at the junction will be monitored and modifications to the signal timings will be made if considered appropriate.	0	25/07/2014

18	Traffic Conditions	11956	MARYFIELD CRESCENT (NC-EA)	D5	Road Closure	between the Timber Mills and Ardcollum Avenue.	resident	Not Recommended	The closure of Maryfield Crescent at its southern end is not recommended. Dublin City Council only recommends road closures in very exceptional circumstances as they have considerable drawbacks associated with them including: <ul style="list-style-type: none"> • They can result in delays to the emergency services. • They can result in considerable inconvenience to local residents and other road users. • They can cause difficulties for larger vehicles including bin trucks which may be unable to u-turn in the space provided. • They can result in anti-social activity with youths congregating where the road has been closed. • They can result in increased volumes of traffic on other local streets as traffic is displaced. • There can be a substantial cost involved in providing a vehicle turning area with an associated loss in parking for residents. 	0	28/04/2014
19	Parking Prohibitions	11791	MAYWOOD AVENUE (NC-EA)	D5	Double Yellow Lines	at the junction of Avondale Park.	deputy Flanagan	Not Recommended	As it has been rightly pointed out, Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) c, It is illegal to park; "within 5 meters of a road junction; However, it is not recommended to introduce parking restrictions where restrictions are already covered under the law, such as extending yellow lines around corners, as this would lead to a proliferation of same and additional expense due to maintenance etc. Infringements of the Act is being referred to Dublin Street Parking Services Ph.6022500 for enforcement under the law.	0	15/04/2014
20	Traffic Signs	12331	MAYWOOD LAWN (NC-EA)	D5	Children Crossing Sign	On Maywood Lawn.	cllr O' Farrell	Not Recommended	A "children crossing" sign(W142) has been previously recommended at the junction of Howth Road and Maywood Crescent as it is the entrance to a housing estate from a main traffic route (TAG 22/07/14, sr 13121). The requested location does not meet the criteria for provision of a W142 sign. The recommended location will suffice for all roads within the Estate.	0	19/05/2014

21	Traffic Signs	12818	MC AULEY DRIVE (NC-EA)	D5	Children Crossing Sign	on the road.	cllr Brabazon	Not Recommended	A "children crossing" sign (W142) is recommended at the junction of Lein Road and Harmonstown Road (see sr 12848). Further signage is not recommended within the estate at McAuley Drive, as this would lead to a proliferation of signs and maintenance costs where motorists have already been warned on entering the estate.	0	09/06/2014
22	Traffic Conditions	14041	MILLBROOK ROAD (NC-EA)	D13	Traffic Calming	at the entrance to the estate.	cllr Gilliland	Recommended	The entrance to the estate has been previously examined, a result of which it was recommended by The Traffic Advisory Group on 29/4/2014 that a new buildout be provided on the southern side of the carriageway, incorporating dishings and improved warning signage for motorists. The 2014 works programme has been allocated. These works will be considered in a future works programme, subject to funding being available.	0	15/09/2014
23	Parking Prohibitions	6956	RICHMOND ROAD (NC-EA)	D9	Double Yellow Lines	on the north side from the junction of Drumcondra Road Upper to the entrance to Tolka Park.	resident	Not Recommended	The provision of double yellow lines on this section of Richmond Road would cause an unreasonable inconvenience to local residents by seriously reducing the parking capacity on a road that has no off street parking. Therefore this request is not recommended.	0	22/04/2013
24	Parking Prohibitions	13285	SEAFIELD ROAD EAST (NC-EA)	D3	Double Yellow Lines	outside No. 169.	deputy Flanagan	Not Recommended	Under The Road Traffic (Traffic & Parking) Regulations, Section 36 paragraph(2) g; "A vehicle shall not be parked in any place, position or manner that will result in the vehicle obstructing an entrance or an exit for vehicles to or from a premises, save with the consent of the occupier of such premises;"It is not recommended to introduce parking restrictions where restrictions are already covered under the law, such as providing yellow lines outside individual premises, as this would lead to a proliferation of same and additional expense due to maintenance etc. Infringements of the Act is being referred to Dublin Street Parking Services Ph.6022500 for enforcement under the law.	0	16/07/2014

25	Parking Prohibitions	11127	SEAPARK DRIVE (NC-EA)	D3	Double Yellow Lines	on the bend outside 88 Seapark Drive.	cllr Haughey	Not Recommended	TAG reported in 2012 that it is illegal under Road Traffic Regulations to park in any place, position or manner that will result in the vehicle obstructing an entrance/exit for vehicles to or from a premises, unless you have the occupier's consent and it is illegal to park within 5m of a junction. Double yellow lines were therefore not recommended at this location as it is not the policy of Dublin City Council to introduce parking restrictions where restrictions are already covered under the law, as this would lead to a proliferation of same and additional expense due to maintenance. The double yellow lines at the junction of Clontarf Road were provided as a safety measure on a busy arterial route, which would not be a comparable precedent. Therefore double yellow lines are not recommended. Illegal parking should be reported to DSPS for enforcement.	1	13/03/2014
26	Traffic Conditions	11249	THE COPSE (NC-EA)	D9	Traffic Calming	on the road.	resident	Not Recommended	Following investigation the provision of traffic calming is not recommended on the Copse, due to the criteria used by Dublin City Council in assessing requests for the installation of ramps has not been met. The longest stretch of road within the estate is 85m which would be the normal spacing between ramps. <ul style="list-style-type: none"> • The road should have a straight run of at least 200m • The 85th percentile speed should be greater than 50 km/h • Traffic volumes should exceed 60 vehicles per hour. 	3	21/03/2014
27	Traffic Signs	14397	WHITETHORN AVENUE (NC-EA)	D5	Yield Sign	at the junction of Whitethorn Rise.	deputy bruton	Not Recommended	Whitethorn Ave. ends at a T junction with Whitethorn Rise. Under the road traffic act, traffic on a road ending at a T junction must give way to traffic from either direction on the other road. A stop/yield sign is not necessary where normal rules of the road apply, moreover such signs are only provided on approaches to major junctions, otherwise this would lead to a proliferation of signs throughout residential estates. Therefore this request is not recommended.	0	29/09/2014
