

Council to appoint Dublin Docklands Oversight and Consultative Forum Members

Background

Due to the recent Local Election results and changes in Local Electoral Area boundaries, two membership positions have become available for the Dublin Docklands Oversight and Consultative Forum (DOCF). The positions have been vacated by Councillor Dermot Lacey due to a boundary change and by former Councillor Gaye Fagan who did not seek re-election to Dublin City Council.

The Docklands Office requested that the Central Area Committee and the South East Area Committee nominate one Councillor each for the vacant positions. At the July meetings of the Central Area and South East Area Committees, the committees nominated Councillor Kevin Donoghue (South East) and Councillor Ray McAdam (Central) for the vacant positions on the Dublin Dockland Oversight and Consultative Forum.

The length of office for the vacated positions will be for the remainder of the three year term of office which began on the 6th of February 2017 and ends on the 5th of February 2020.

Functions of the Forum

The role of the Forum, as set out in the Dublin Docklands Development Authority (Dissolution) Act 2015, is to consider and advise the Council and the Strategic Policy Committees of the Council in relation to the formulation, development, monitoring and review of the Council's policy relating to the performance of the functions of the Council insofar as they relate to the Dublin Docklands Area and in particular in relation to the following:

- a)
- b) enterprise and employment;
- c) education;
- d) housing;
- e) planning;
- f) the environment, including the natural and built environment, and the amenities of the area and;
- g) the interaction of communities

Recommendation:

That Dublin City Council approves the nomination of Councillor Kevin Donoghue and Councillor Ray McAdam to fill the vacant Elected Member positions on the Dublin Docklands Oversight and Consultative Forum.

Resolution:

"That Dublin City Council notes the contents of Report No 239/2019 and hereby approves the contents therein".
