

'JUMP IN PUDDLES CHALLENGE'

Criteria:

- The competition is open to children from 1 to 18 years of age
- As this is a family activity, parents/guardians, etc. can be included in the video if required
- Puddles can be those you have made or found, naturally formed or those found walking around local parks, open spaces etc.

Judges will be giving scores based on:

- Height of the Jump
- Enthusiasm – enthusiasm of competitor jumping and splashing around
- Distance of Splash
- Stickability! - The amount of mud that clings to each competitor.

Risk Benefit Assessment:

- Please use a stick, broom handle etc. to test the depth of the chosen puddles before you jump in!

The victorious winner of the '**JUMP IN PUDDLES CHALLENGE**' will be announced and crowned champion on DCC Parks & Biodiversity Facebook Page during the third week of December (**14th – 20th**).

Prizes will be sent by post to winners and runners up and depending on Covid 19 Restrictions, there will be a photo opportunity for the crowned champion. Prizes will include Jump in Puddles Challenge Champion's Crown, Zoo Family passes and lots more!

Note: All videos submitted for the competition will be collated and posted as music videos on DCC Parks & Biodiversity Facebook page, DCC [Let-Children-Play](#) Page, DCC's Facebook Page and YouTube page

Looking forward to seeing many great entries to this online event which we hope will be kick start some activities in the city's parks when it safe to host live events. Competitors would then be able to visit a selected DCC Park and normally splash around in a bid to catch the eye of the judges and take home the crown.
