**Proposal:** Planning permission for the demolition of a single storey flat roofed storage building and the construction of 5 no. one bedroom apartments at 23/24, Rutland Place North, Dublin 1. The proposed development is a proposed infill development of a brownfield site and consists of a two storey slated pitched roof building fronting onto Rutland Place North and finished in materials matching the existing streetscape. There are three apartment units on ground floor level and two located at first floor level. There is access to one apartment at ground floor level on Rutland Place North and access to the other two apartments is located to the rear of the building. Access to the two first floor apartments is also located at the rear of the building. The entrance to the site from Rutland Place North is constructed in rendered pillars and double timber gates together with a pedestrian side gate. There is a single storey bicycle store with 15 bicycle spaces. The bicycle store is flat roofed and rendered walls externally. Recreational shared open space is provided to the rear of the development with landscaped open space and all ancillary services.
