Weekly Planning List

25/22

(20/06/2022-24/06/2022)

All applications received will be considered by the Planning Authority to determine their validity in accordance with Planning and Development Regulations 2001. Any application pending validation listed hereunder, and subsequently declared to be invalid, will be detailed in the DECISIONS SECTION of the Weekly List in a subsequent publication.

Area 3 COMMERCIAL

Area Area 3 - Central
Application Number 4261/22
Application Type Permission
Applicant Sharon Kearney
Location 223, Navan Road, Dublin 7
Registration Date 20/06/2022

Additional Information

Proposal: Planning permission is sought for the increase in number of children to be accommodated in existing playschool as per planning grant dated 09/01/2014 planning reference number 2887/13, permission sought to increase numbers from 20 to 22 children.

Area Area 3 - Central
Application Number 4263/22
Application Type Permission
Applicant Thomas Duggan
Location 71, Middle Abbey Street, Dublin 1, D01E7K5
Registration Date 20/06/2022

Additional Information

Proposal: Permission for change of use from Retail premises to Restaurant/ Cafe including alterations to rear elevation to North Lotts and ancillary onsite services at ground floor and basement levels only .

Area Area 3 - Central
Application Number 4269/22
Application Type Permission
Applicant Digital Accommodation Rental Engine Ltd
Location Unit 5-6, Kings Street Complex, 48-59, North King Street , Smithfield, Dublin 7
Registration Date 21/06/2022

Additional Information

Proposal: Permission for the following works: Separation of the currently combined office unit into two separate units, change of use of Unit 6 from office to retail / coffee shop use and for associated signage alterations.

Area Area 3 - Central
Application Number 4276/22
Application Type Permission
Applicant Pat Broughal
Location Richmond Cottages North, to the rear of 611-617 North Circular Road, Dublin 1
Registration Date 21/06/2022

Additional Information

Proposal: PROTECTED STRUCTURE: The development will consist of the following (i) the demolition of the existing unoccupied single storey shed-like rear buildings, and (ii) the construction of 5 no 3 storey 2 bedroomed townhouses with rooftop terraces, to be accessed from Richmond

Cottages North. Also proposed is the provision of a communal plant room with PV panels over, bicycle parking and refuse storage facilities, as well as a communal garden/allotment area.

Area Area 3 - Central
Application Number 4303/22
Application Type Retention Permission
Applicant William Donnelly
Location 63/64 Lower Dorset Street, Dublin 1
Registration Date 24/06/2022

Additional Information

Proposal: RETENTION PERMISSION for the retention of 1 no. previously permitted sign to south/west elevation of existing building. The sign consists of individual stainless steel framed letters which will be non-illuminated mounted on the face of the building.

Area Area 3 - Central
Application Number 4309/22
Application Type Permission
Applicant Eric Sutton
Location Karlton Barbers, Unit 1, Block 2 Island Key, Off East Road, East Wall, Dublin 3
Registration Date 24/06/2022

Additional Information

Proposal: Planning permission is sought to divide existing retail unit into two and form new separate shopfront to second unit at Karlton Barbers.

**Area 3
DOMESTIC**

Area Area 3 - Central
Application Number 4283/22
Application Type Retention Permission
Applicant Liam Lynch
Location 20, Ferguson Road, Drumcondra, Dublin 9
Registration Date 22/06/2022

Additional Information

Proposal: RETENTION: Permission for retention and premission, retention on the demolition of existing house and garage, permission to reinstate house and to continue proposed new works as per grant application reference no. 4122/21, construction of a new 2 storey extension to front, side and rear of existing house for new bedroom, also single storey kitchen extension to rear and single storey extension to front of house, enlargement of sitting room and all asociated site works.

Area Area 3 - Central
Application Number 4288/22
Application Type Permission
Applicant Gracanica Ltd
Location 34 North Frederick Street, Dublin 1
Registration Date 23/06/2022

Additional Information

Proposal: PROTECTED STRUCTURE: modifications to existing planning permission reg. ref. 4736/19 for development. The modifications will consist of: 1) changes of internal layout at first floor level, 2) replacement of existing roof timber structure, 3) An AOV (Automatic Opening Vent) system size 1140x1180mm, installed to the roof rear slope, connected to the fire detection and alarm system for fire safety improvement, 4) All other related works.

Area Area 3 - Central
Application Number 4302/22
Application Type Permission
Applicant Ms. Jenny McGowan
Location 2 Geraldine Street, Phibsboro, Dublin 7
Registration Date 24/06/2022

Additional Information

Proposal: Permission for the construction of a new 10.5sq.m. second storey addition to an existing two storey rear annex to the existing terraced bungalow and to include ancillary works.

Area Area 3 - Central
Application Number WEB1577/22
Application Type Permission
Applicant Patricia Fitzgerald
Location 37, Park View, Blackhorse Avenue, Dublin 7
Registration Date 20/06/2022

Additional Information

Proposal: A single storey hipped roof extension to side of existing house.

Area Area 3 - Central
Application Number WEB1583/22
Application Type Retention Permission
Applicant Mathieu Deresmes
Location 2, Orchard Terrace, Grangegorman, Dublin 7
Registration Date 21/06/2022

Additional Information

Proposal: RETENTION: The development consists of the construction of a first-floor extension to the rear of the property, rooflight in the main roof to the front of the property as well as widening of the existing gate to the rear of the property.

Area Area 3 - Central

Applicant	The Commissioners for Public Works
Location	The Magazine Fort (a Protected Structure) Phoenix Park, Dublin 8

Additional Information Additional Information Received

Proposal: PROTECTED STRUCTURE The development will consist of repair, conservation, change of use, and minor additions and alterations to, and ancillary works to a number of buildings in the Magazine Fort (a Protected Structure, RPS 6760, and on the Record of Monuments and Places RMP nos. DU018-007019) to facilitate access and use by the public, and will include: 1. The repair, conservation, change of use and minor alterations of the existing Johnston Ravelin Buildings which consist of Officers Quarters (a 1 storey building with an existing half basement, and total GFA of 329 m2, referred to as Building K in the Planning Application documents and drawings), Sergeants Quarters (a 1 storey with existing basement and total GFA of 213 m2, Building L), Men's Hut (a 1 storey building with a total GFA of 40 m2, Building O) Ablution Room (a 1 storey building with a total GFA of 21m2, Building H), Sentry Box (a 1 storey building with a total GFA of 25 m2, Building J), Men's WCs (Building M, a 1 storey building with a total GFA of 22 m2), Women's Washhouse (Building N, a 1 storey building with a total GFA of 9 m2), and Women's WCs (Building W, a 1 storey building with a total GFA of 1 m2); The repair and conservation work of the Fort's Johnston Ravelin Buildings (Buildings H,K, L, N and W listed above) includes re-roofing with slate and lead flashings, new cast-iron rainwater goods, and general repairs to brickwork, windows, doors, timber flooring, ceiling, chimneys, plasterwork and joinery. The repair and conservation works at the Johnston Ravelin courtyard and moat areas will consist of the refurbishment and augmentation of the existing cobbles and stone paving and the reinstatement of salvaged metalwork (gates and railings) to the courtyard; A change of use of the former Officers' Quarters and Sergeants Quarters (Buildings K and L) for use as Visitor and Staff Facilities to include, at ground floor level, Visitor Reception, Locker Room, Tea Room, Accessible Toilets and Staff Offices; and, at basement level, Kitchen, Staff Facilities (toilets,changing rooms, lockers) additional Visitor Toilets, Plant Rooms and general storage areas totalling GFA of 534 m2. Alterations to the internal existing fabric will consist of 2 nos. openings in 2 nos. walls in the Officers' Quarters and Sergeants Quarters (Buildings K and L), and the partial removal of timber flooring at ground floor level to provide for new staff stairs, the removal of damaged timber flooring at the basement and replacing with concrete; Alterations to the external fabric will include the removal of derelict subsidiary stair, wall and toilets, the removal of damaged external concrete ground surfaces, the removal of modern external gate, the removal of the Men's Hut, the removal of the metal shed to Ablution Room. New internal built works include the provision of new staff stairs and new partitioning for the new toilets; New external built works include the replacing of existing external concrete surface and limited cobbled areas with new textured concrete with integrated wayfinding recessed elements; the provision of new guardrails and addition of new external stairs to moat area, a new postern gate at the south moat wall, and a new metal external entrance gate and bridge with signage; 2. The restoration of the Duke of Dorset Archway, using original stonework which is currently stored on site. Interventions to the inner entrance bridge to consist of the removal of the existing metal grating and the provision of proposed new metal walkway and guardrails onto existing steel I-beams; 3. The insertion of a new metal walkway (809

m2) at the inner Fort ground level and at the Rampart Walls bank level to facilitate a universally accessible circumnavigational public access of the Fort and Ramparts (Building Z) to consist of: At ground level, the removal of damaged concrete paths and repair of surrounding cobble surfaces and the insertion of the proposed 1.8m wide perforated metal walkways supported on sleepers following the existing layout of concrete paths and concealing electrical services distribution; Alterations to the existing fabric of the Rampart Walls consisting of the opening up of gun embrasures located along the West, South and East elevations by the removal of later additions of concrete blockwork. At rampart level, the provision of an assembly of sleepers set into the grounds bearing the new perforated metal walkways & guarding aligned with the lower stone step level (at c. 250mm above the Rampart Walls bank level) at the Northwest bastion and along the West portion of the existing Rampart Walls and aligned with the top stone step level (at c. 750mm above the Rampart Walls bank level) at the Southwest bastion and along the South portion of the Rampart Walls, the provision of guarding at the Southeast bastion, the provision of steel safety guarding at the newly opened existing gun embrasures, and a new flagpole at the existing flagpole platform at the Southeast bastion. No element of the proposed walkway is above the existing height of the Rampart Walls' parapets; The provision of access at change of levels between ground and rampart walkways involving the erection of 2 no. steel truss ramps at the Northwest and Southeast bastions; and a Part M accessible lift and access lobbies (2 storeys and c.7.2m in height) at the Northwest bastion. The lift structure will consist of a weathered blockwork shaft on concrete pit foundation with adjoining protected access lobbies, all clad in metal cladding; 4. The repair, conservation, change of use and minor alteration of the existing corrugated iron Bakery Building (a 1 storey building with a total GFA of 296 m2, Building B) consisting of local repairs where necessary for Health & Safety, to the wall sheeting and the replacement of roof coverings, cleaning of the steel frame and stanchion structural remedial works, the provision of new metal rainwater goods, and the restoration and weatherproofing of windows and doors. The change of use consists of the use of the Bakery Building as a new unheated exhibition and visitor orientation/gathering spaces (total GFA of 296 m2). Alterations to the existing fabric include the removal of 1 no. corrugated sheeting wall; 5. The repair, conservation, change of use and minor alteration of the existing Magazine Gunpowder Store Buildings (a 1 storey building containing 3 no. Vaults with a total GFA 704 m2, Building A) to consist of: Repair and conservation works including the recovering of slate roofing with new felt and timber battens and re-use of existing slate, with new slate as required to match existing, the restoration of stone capping, the repair of external wall harling and stonework, the restoration of rainwater goods and new to match existing where required, the repair of existing timber flooring, and the repair of the brick vaulted structure, including structural stitching to corners; The change of use of the Magazine vaults consists of the use of the former Vaults as new unheated exhibition spaces, including exhibition space (296 m2) in Vault A, and immersive audio-visual installations in Vaults B & C (total of 408 m2); Alterations to the existing fabric to consist of the provision of a connection between Vaults B and C and the demolition of relevant wall section, the removal of later added concrete flooring in Vault C and the removal of later added brickwork to the front of Vault C. New build consists of the insertion of a new metal walkway, seating and railings supported on steel frame and timber sleepers, in Vaults B & C and the porch of Vault A; and the provision of a new dark room door at the front of Vault C., and lining to the proposed connection; 6. The repair, conservation and change of use of the Shifting Room (a 1 storey building with a total GF of 25 m2, Building G) to provide a new switchroom and an AV room; 7. The provision of electrical services along the new walkways; which consists of the removal of existing switchboards in the Sentry Box (a 2 storey building with a total GFA of, 22 m2, Building J) and provision of a switchroom in the Officers' Quarters the provision of surface ducting (below proposed metal walkway-see 3.);8. The repair of existing drainage networks as necessary and provision of new connections from the Johnston Ravelin visitor facilities (see 1.) to the existing network.

Proposal: EXPP: To convert attic storage space to bedroom. To insulate attic and improve the BER rating of the property.

Area Area 3 - Central
Application Number 0188/22
Application Type Section 5
Applicant Ken O'Reilly
Location 12 Little Strand Street, Dublin 1
Registration Date 20/06/2022
Additional Information

Proposal: EXPP: The property known as 12 Little Strand St. comprised a 2-storey building with a workspace/storage area, a hall at ground floor level and a living area at first floor level. The adjacent buildings were demolished a few years ago for a new hotel development which has not proceeded as yet. The demolition works and removal of adjacent connected structures/buildings resulted in certain structural movement and cracking to the walls of 12 Little Strand Street. It is now proposed to commence remedial works required to No. 12 which includes internal strapping, external strapping, crack repairs and floor strengthening works. The proposed external works comprise steel strapping, structural repairs such as infilling opes, rebuilding walls and crack repairs as indicated in the drawings. The external corner strapping repairs to the walls will be visible and it is therefore proposed to over clad the external elevations that face into the proposed hotel site in zinc cladding, or a similar proprietary metal cladding system. The external cladding to the hotel facing elevations will also allow an opportunity to add some level of insulation (Rockwool) into the cladding system to compensate for the loss of thermal protection that was afforded to No. 12 by the adjacent structures/buildings, which have now been removed. The overall dimensions of the external walls where the new cladding system is proposed will remain the same, and within the limits of the property. There will be no alterations to the front elevation of the property (facing to the street). There will be no external alterations to openings/windows/door sizes. The proposed internal works are structural repairs, such as: infilling opes, rebuilding sections of walls, rebuilding timber partitions, crack repairs using helibars and strengthening of the timber floor and roof. There will be also associated internal decorative repairs to carpets, ceilings, stairs and walls. The strengthening works of the timber floor and roof consist of the fixing of 18mm OSB board to under side of the joists and the installation of galvanised steel straps between joists and walls, with chemical anchors.
