Message from the Chief Executive

The City Neighbourhood competition is used to foster a sense of civic pride, place and community and also to promote environmental awareness. Strong emphasis is placed on voluntary/community effort. Measures taken by entrants to control litter and graffiti, to organise socially inclusive community events and to work in partnership with Dublin City Council, all contribute to high marks. The ultimate aim of the competition is to achieve a cleaner, greener environment and attractively presented local areas that will benefit all city residents and visitors.

We plan to continue the ‘**Team Dublin Clean-up**’ initiative again this year in conjunction with National Spring Clean month in April. I would encourage you all to get involved so that your neighbourhood is looking clean and green for the summer months when the judging of this competition takes place.

Each year we endeavour to have a theme in line with the City Council’s Climate Action Plan. ‘**Water Conservation**’ was the theme in 2022, this year the theme is ‘**Zero Waste**’. National Food Waste Recycling Week 2023 runs from 5 June until 11 June. During this week we encourage everyone to recycle food waste. For some practical advice along with hints and tips on how easy it is to recycle and get involved see <https://www.mywaste.ie/national-food-waste-recycling-week>

We always try to encourage new entrants to this competition. To assist groups to enter we have arranged on-line entry. See the following link:

Once again, congratulations to all who participated in the 2022 competition. I wish all entrants in this year’s competition every success and I want to thank you in advance for your participation.
