# Welcome to our social story

**We created this social story to help you prepare for your visit to Walkinstown Library. Reading this will help you understand what is in our library, and what you can do in the library, so that when you come for a visit, you are prepared!**

**We want you to be happy and comfortable in our favourite place.**

# This is the main entrance into the library

Come on in

# Here is the front desk

The librarians sit here. You can ask them for help with anything!

# Welcome to the children's library

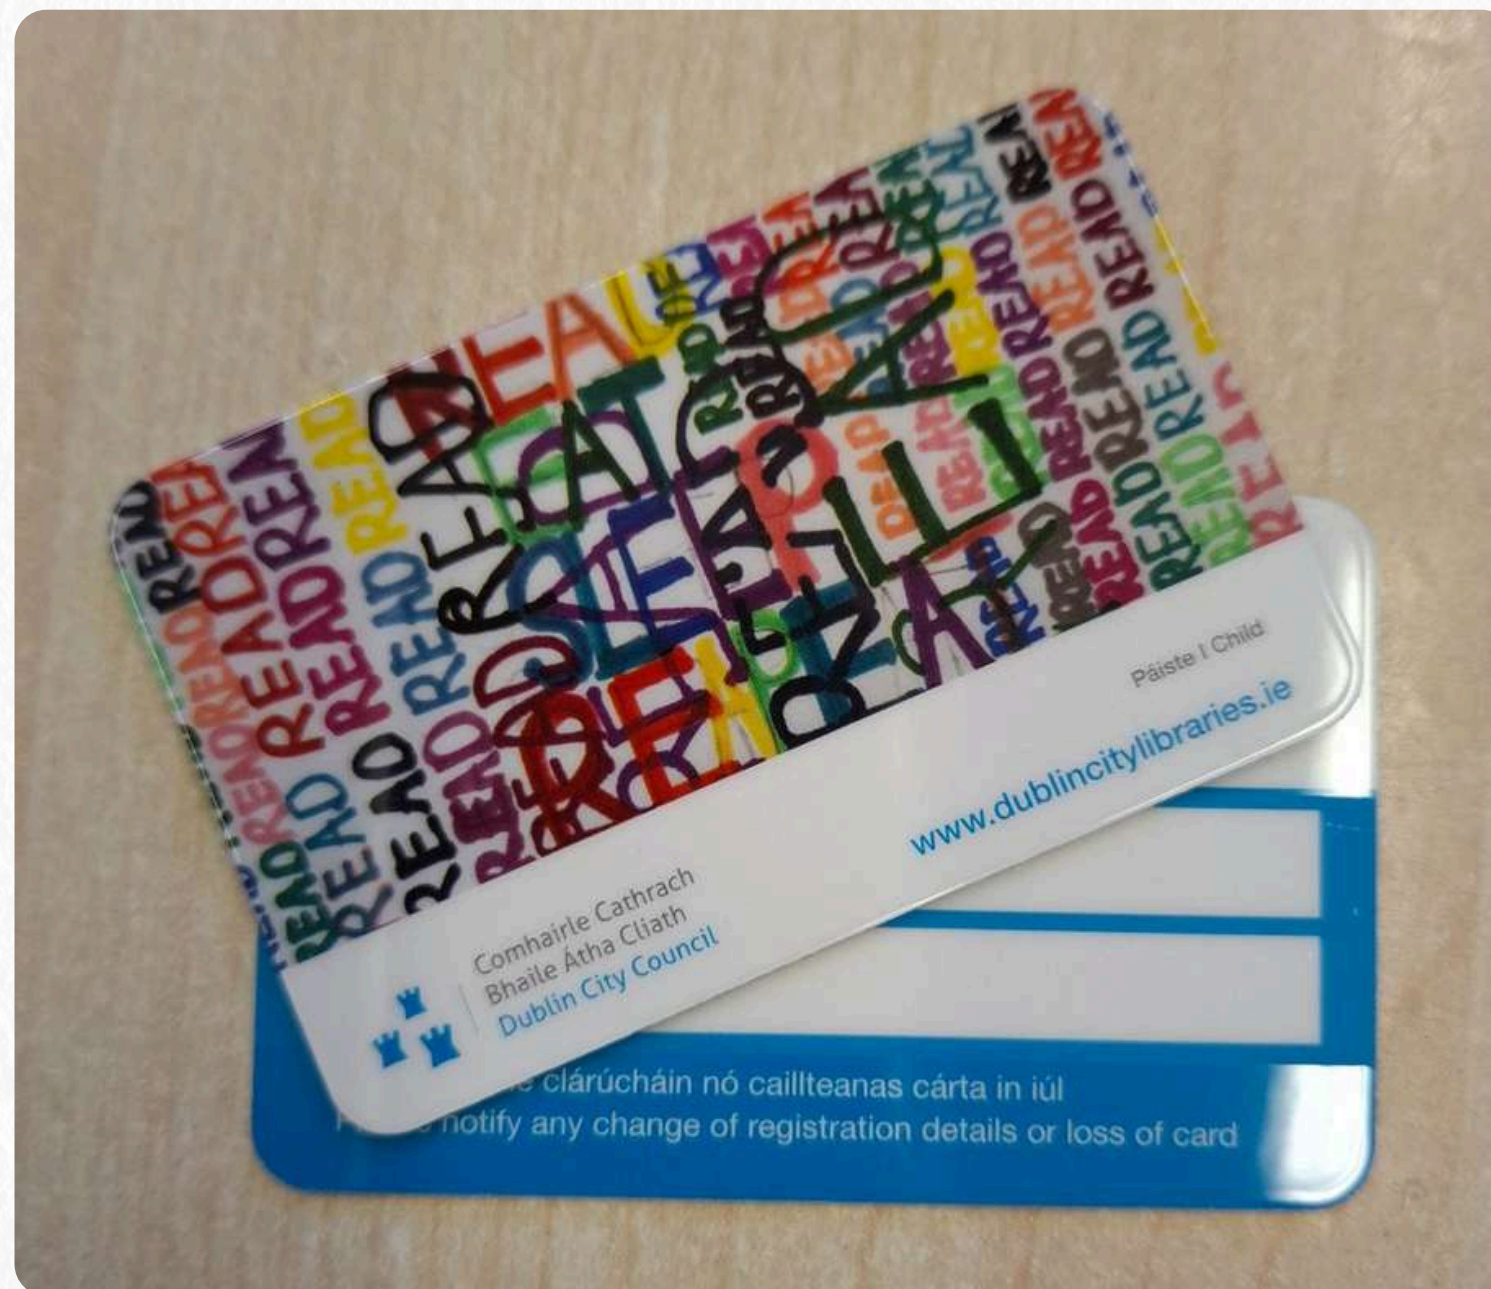

I can read books,  
colour pictures,  
or sit and relax.

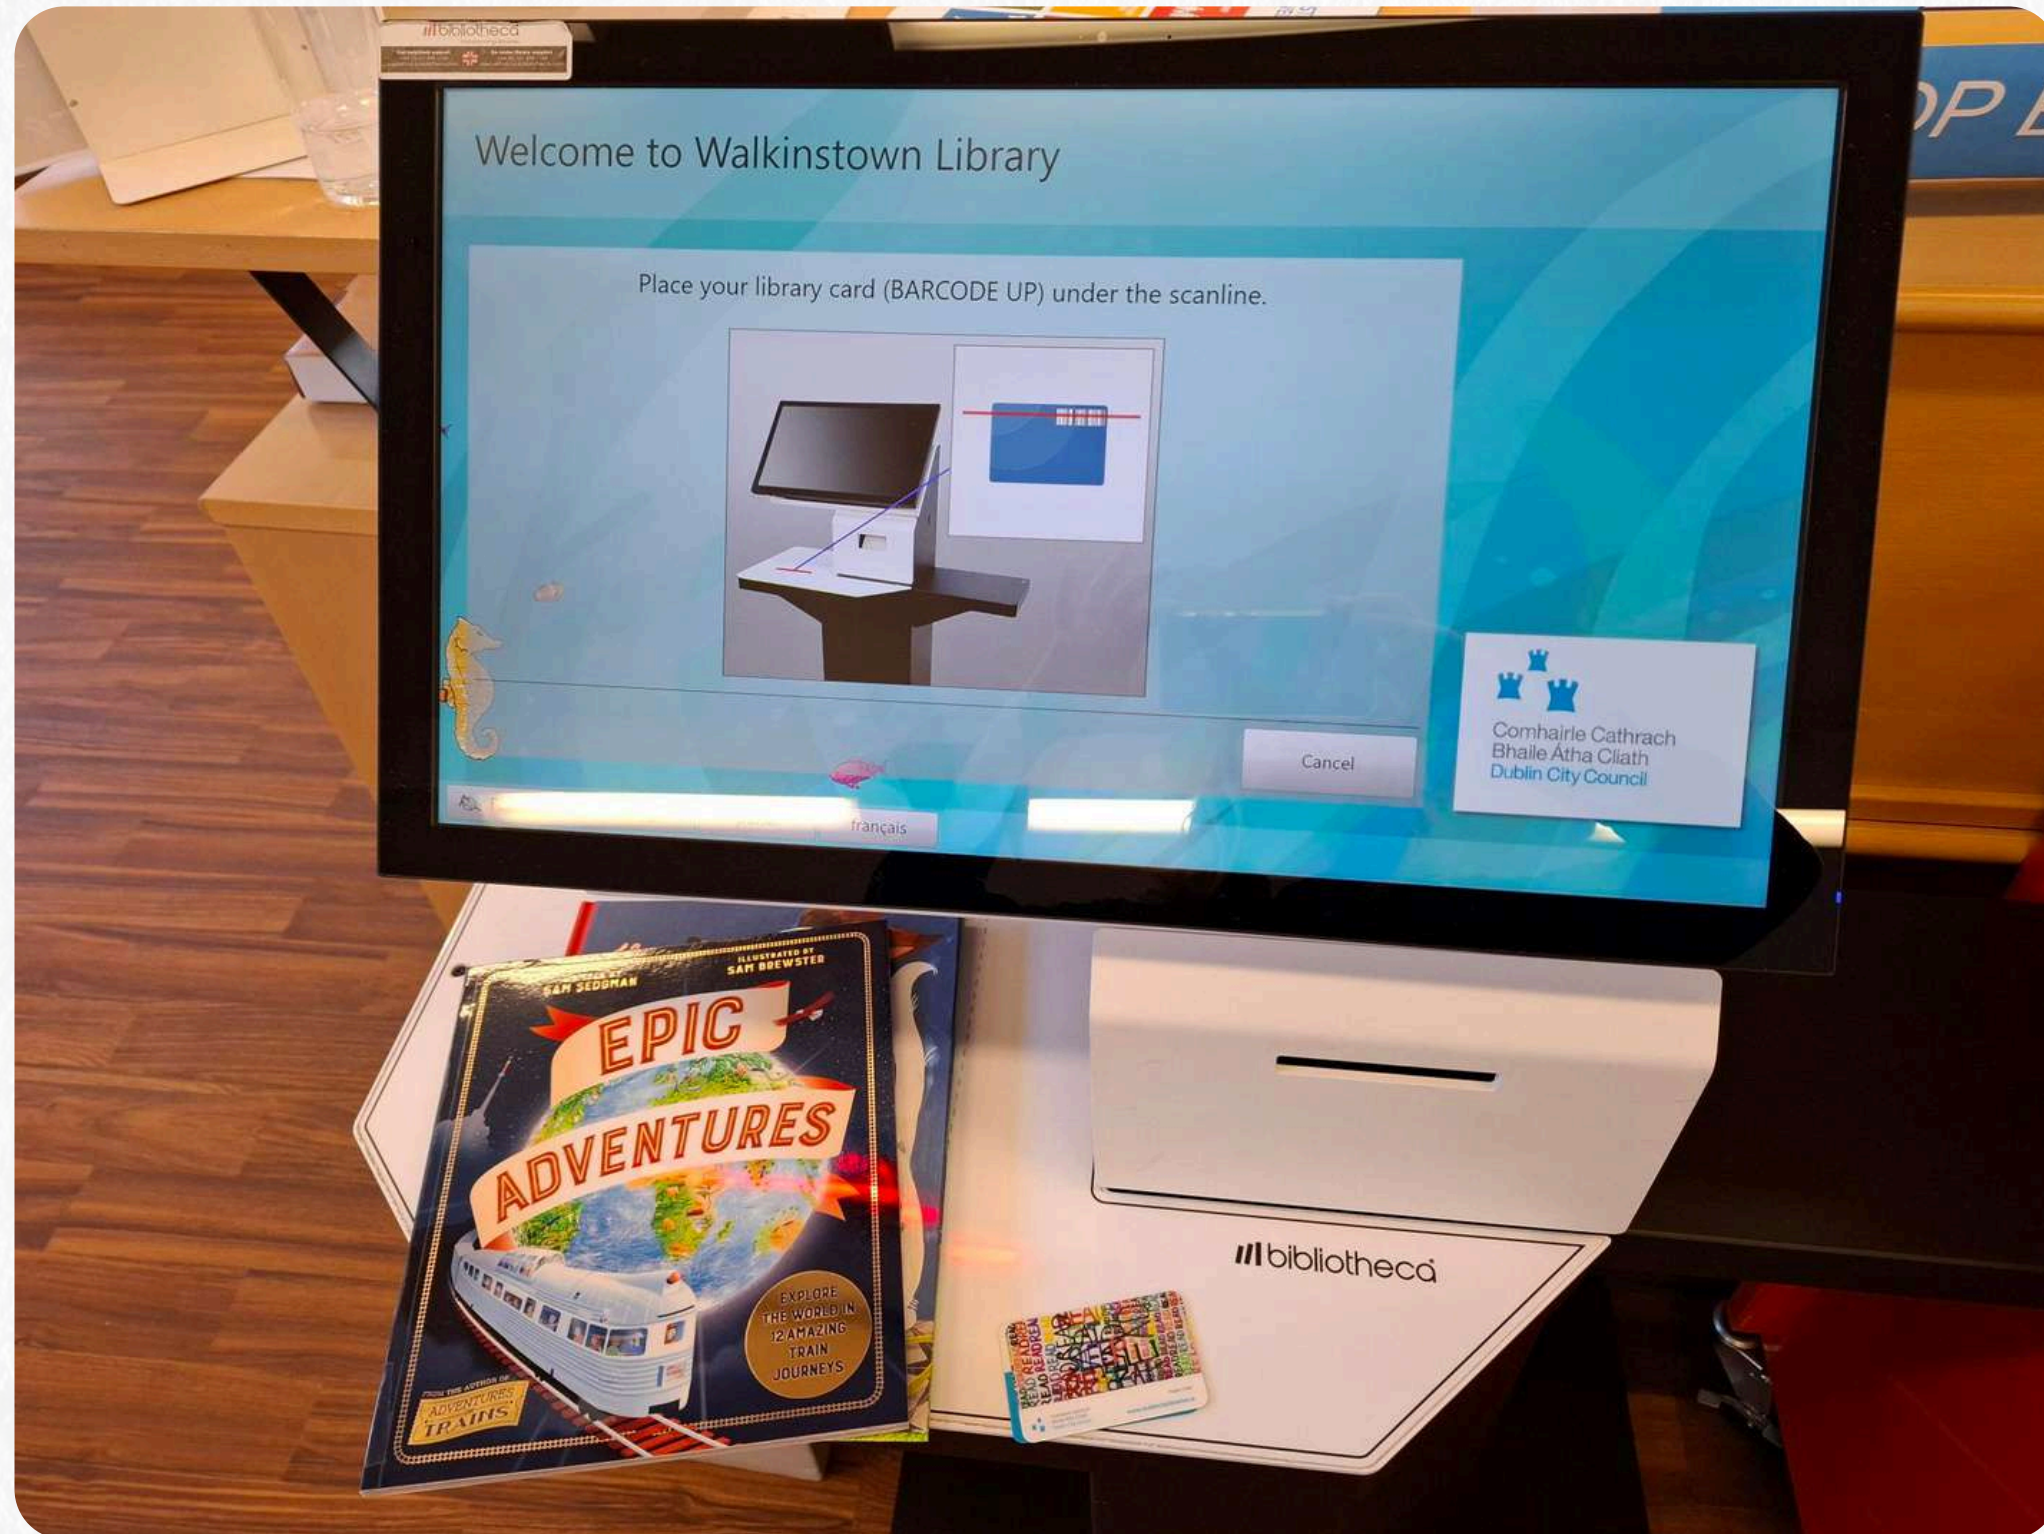

# Here is a library card

I can use this card to borrow books, movies, magazines, and even games from the library!

# Here is a kiosk

This is where I can borrow and return books. I can ask a librarian if I need help.

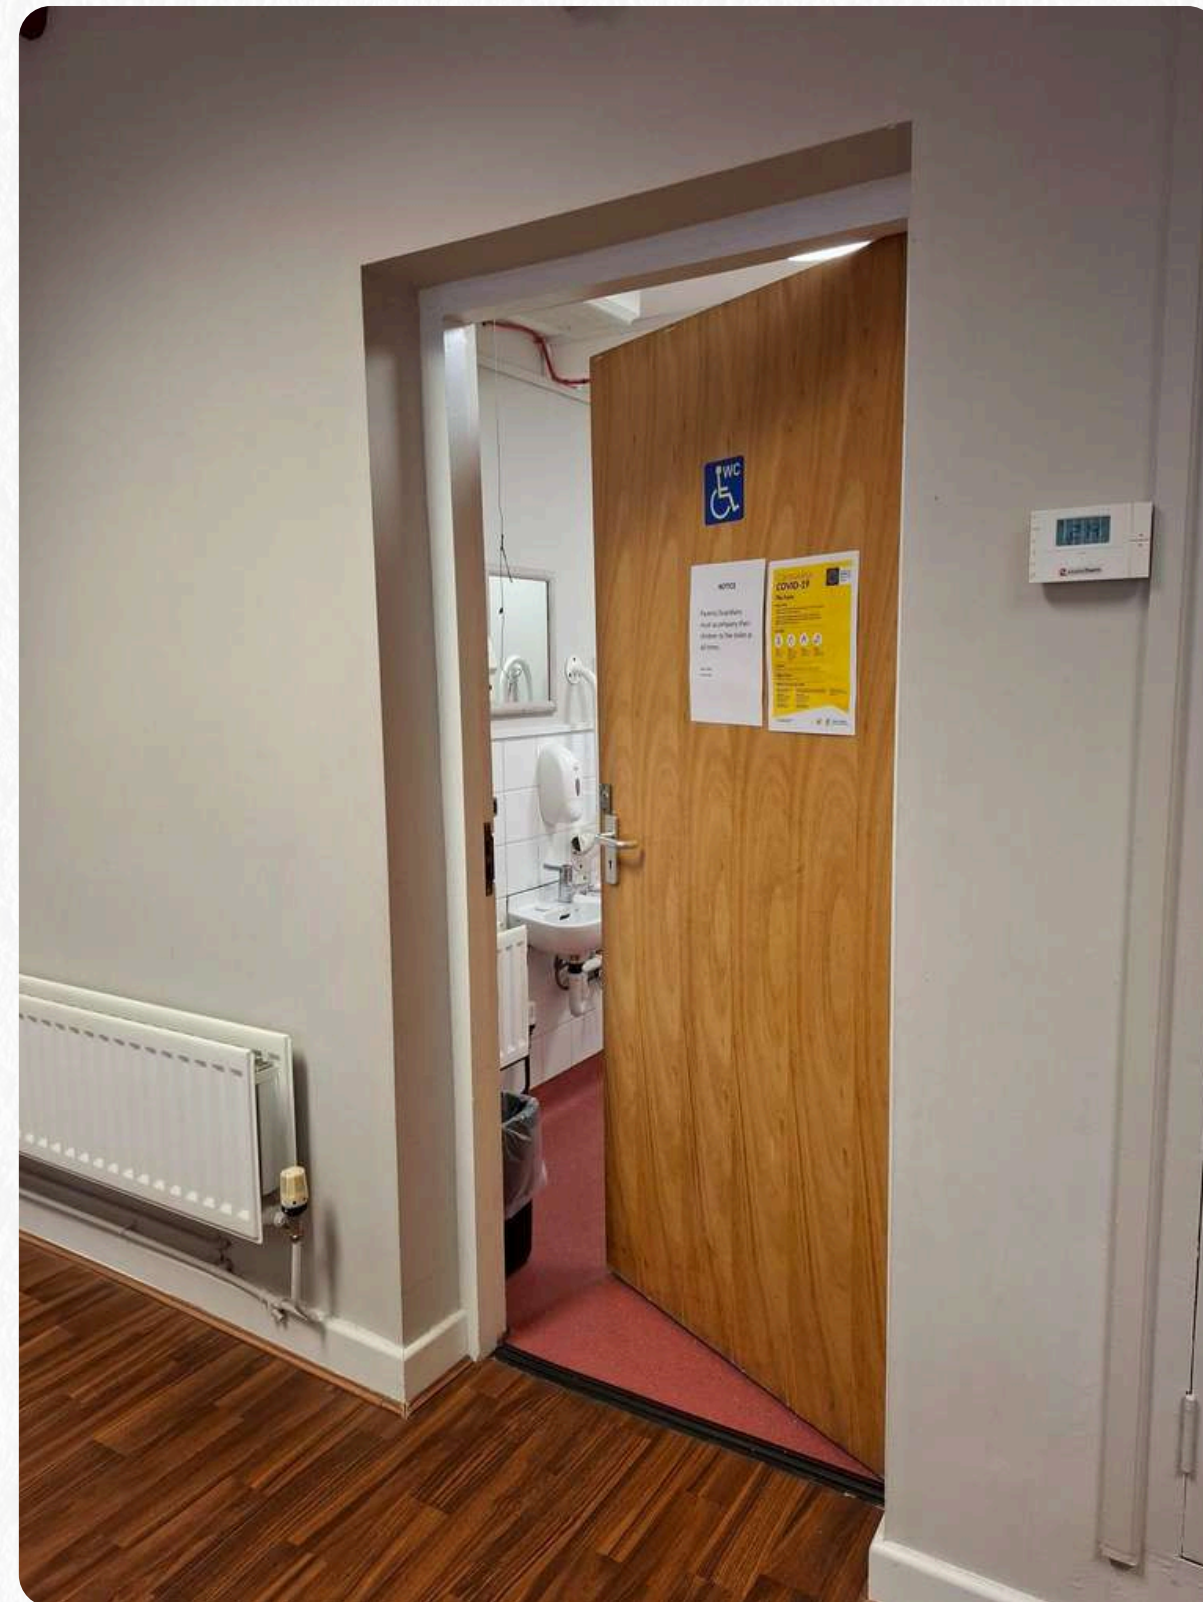

# This is the adult library

The grown-up books are here.  
People can sit here to study and work. Or to read a newspaper.

# This is the toilet

I can find the toilet in  
the room at the back  
of the children's  
library.

# This is the sensory room

I may use the  
sensory  
cubbie or  
play games  
on the magic  
table.

I can play  
with the  
sensory toys  
every  
Tuesday at  
3.30pm.

If it gets loud  
I can ask the  
librarian for  
ear  
defenders.

# This is the garden

I can go outside to  
the garden and play.

# I can make music in the garden

# If I need anything, I can ask a library assistant

They are here to make everyone  
feel happy and comfortable!

# We hope you come and visit soon!

# THANK YOU

If you would like to talk to us before your visit  
or book the sensory cubbie you can contact us at  
[walkinstownlibrary@dublincity.ie](mailto:walkinstownlibrary@dublincity.ie) or 01 222 8900.
