What is this for?

We created this social story to help you prepare for your visit to Cabra Library, which shows you the things you can see and do at the library.

I am going to Cabra Library today.

The library is free to use and I am always welcome here.

There are some rules I need to follow at the library.
I can't be too loud and I am not allowed run around.

When I get to the library I can go to the children's area.

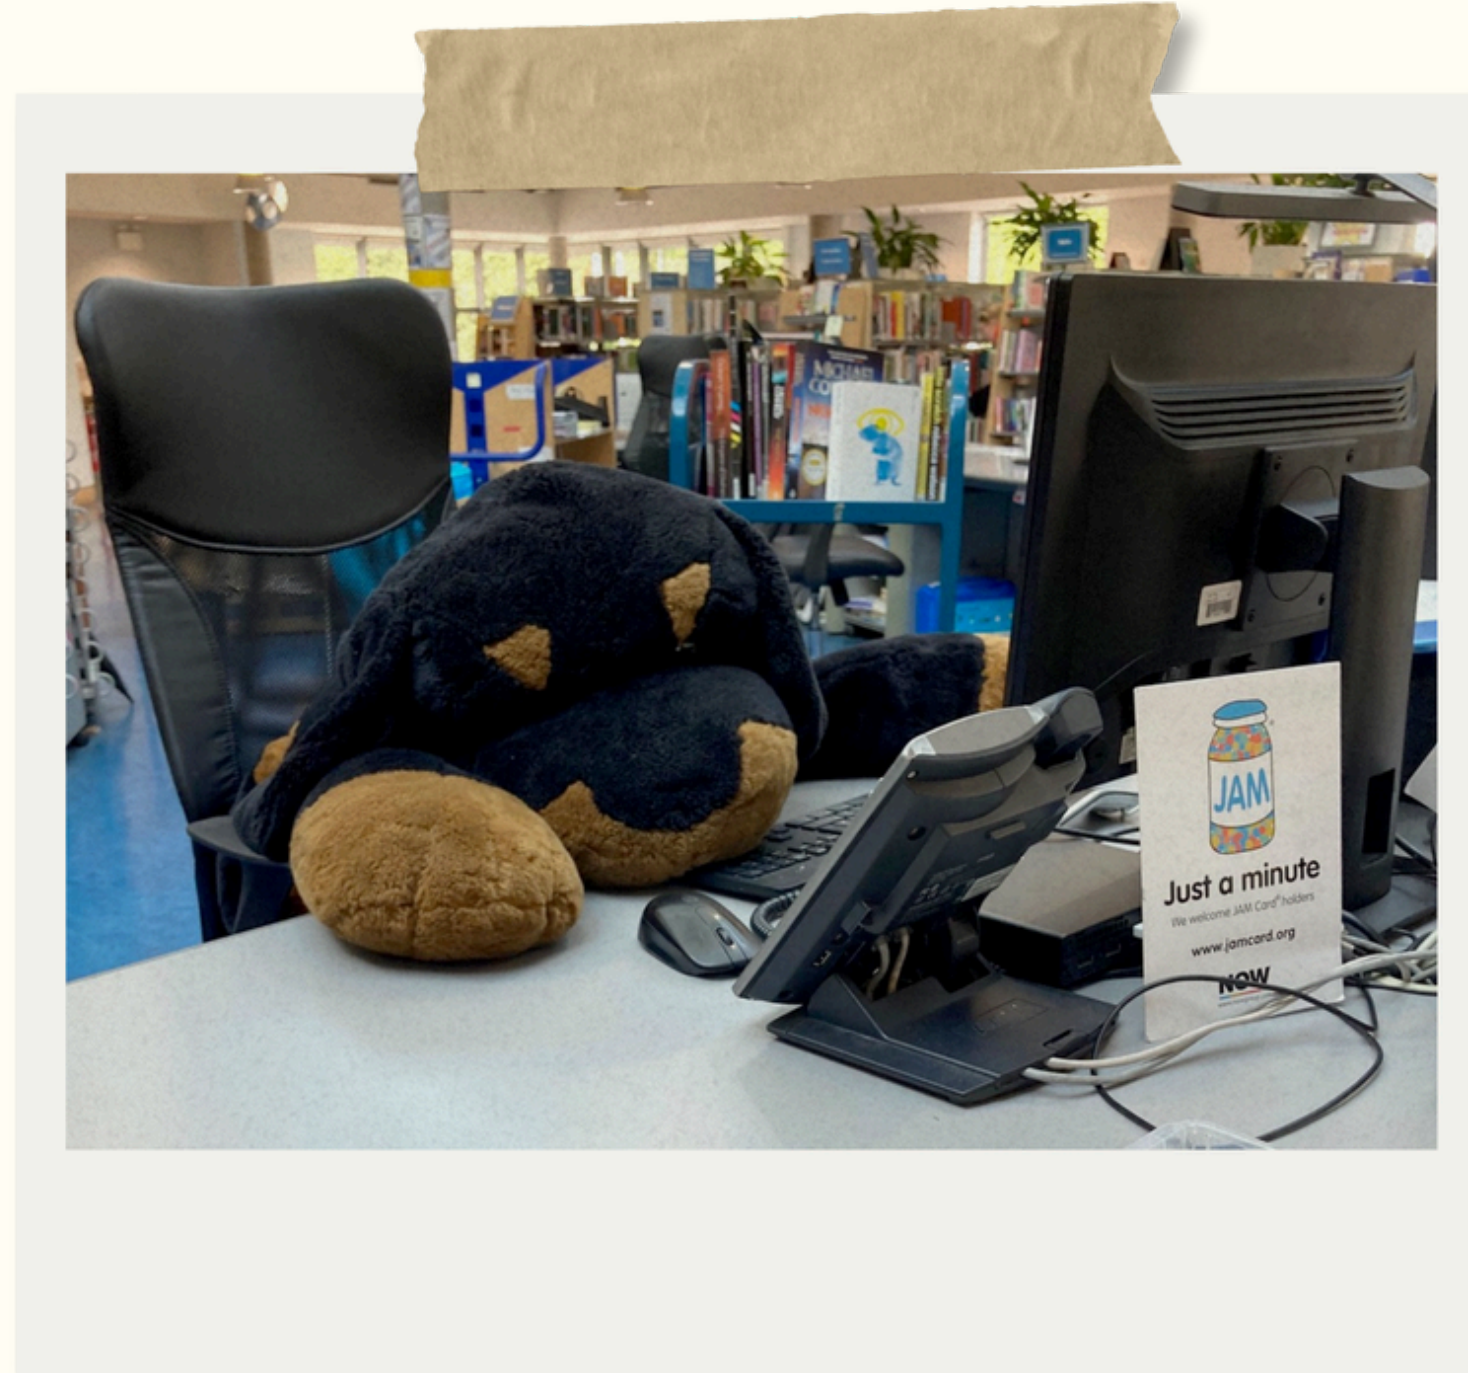

In the children's area, there are lots of books, dvds, video games and audiobooks that I can pick out to borrow.

I can make jigsaws and do colouring in the children's area.

This is the library desk.

If I need anything I can ask one of the friendly library assistants
and they will be happy to help me.

I can join the library and get my very own library card! I can use my library card to borrow any item I would like to bring home from the children's area.

I can use the self-service kiosk if I want to.

I can check out books here AND I can return books here when I am finished with them.

I can ask for a JAM card at the desk if I need one.

There are some sensory toys behind the desk that I can ask for.

It can get a little loud in the library sometimes, so I can ask for ear defenders if I need them.

They are behind the desk too.

There is a sensory pod AND a magic table that I can use.
My grown-up can book this in advance.

I can come to Sensory Hour every Thursday at 5pm - 6pm too.

I can go to events like Story Time on Wednesdays
and Arts and Crafts workshops.

I can use these lovely bathrooms if I need to while I'm there.

I am going now, but I am always welcome to come back for more fun at Cabra Library.

This is the way out of Cabra Library.

Bye!
