# Why are we doing this work?

We want to make it safer, easier and more pleasant for people to walk, wheel or cycle along Chapelizod Road and Conyngham Road.

This scheme will connect communities along this route, link Chapelizod Village to the city centre via the Liffey Cycle Route, and improve access to amenities such as the Phoenix Park and War Memorial Gardens.

# What changes will this scheme make?

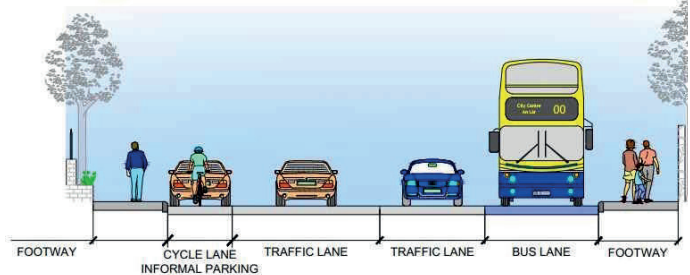

This scheme will provide:

- ▶ Two-way segregated cycle track
- ▶ New and upgraded signalised pedestrian and cyclist crossings
- ▶ A full upgrade of South Circular Road Junction
- ▶ Footpath improvements including localised footpath widening
- ▶ Upgrades to bus stops
- ▶ New bike stands
- ▶ Landscaping and greening measures

To enable this scheme, there will be changes to parking. Time-plated parking will be removed from Conyngham Road, while new parking spaces will be provided at Long Meadows Sports Ground.

# What is the purpose of this public consultation?

Dublin City Council is holding a public consultation from 20th February – 20th March 2026 to hear people's views and get their opinions on the proposed scheme. We will review all feedback and develop our designs further if required.

A Public Consultation Report will be published on the scheme webpage: [dublincity.ie/chapelizod-road-scheme](http://dublincity.ie/chapelizod-road-scheme)
