

TOWNLINK

Constitution Hill Regeneration – Phase 1

Newsletter – June 2026

Welcome to our newsletter, which keeps you up to date with events and progress on site.

What we are Building

The development of a new apartment block and the renovation and extension of existing block 1, Constitution Hill.

What's Next for Summer 2026 – Works on site are becoming busier.

Block 1:

Lift and stair core working progressing well.

North Block:

We have completed the construction of level 3 and are on track to complete level 4 in the early days of June. We expect to have the remainder of the concrete frame works completed later this year.

Please Help us with Safety

Construction sites can be dangerous. At Townlink Construction our top priority is the health and safety of everyone who works on our sites, the public and the local community affected by our work. If you need to contact us, please ring us but do not enter the site. For the entirety of the project Townlink will take all reasonable measures to mitigate noise and disruption to help ensure our time in Constitution Hill is not a burden on our neighbours.

- About Townlink

Established in 1991, Townlink is a locally owned company with strong links to the community. We pride ourselves on being friendly and easy to collaborate with. At Townlink, we understand the value in conserving our heritage through our buildings, and how the adaptation and re-use of historical/existing buildings can have a positive effect through removing some negative modern elements from the building, while repairing and re-instating elements that will prevent deterioration.

Our Partners

Client: Dublin City Council

Design Team: Grafton Architects, ARUP, Austin Reddy, Afec, Occupli, BSM, Meehan Green, Carrig Conservation and IAC Archaeology

Please be cautious of site traffic moving around the site area and local access roads.

Thank you for your cooperation.
