2. Roads objectives are shown diagrammatically
3. * See Record of Monuments and Places (RMP) at <https://www.archaeology.gov.uk/publication-forms/publication-record-of-monuments-and-places/>
For updated information see the Historic Environment Viewer at <https://www.archaeology.gov.uk/historic-environment/>
The RMP does not include all known archaeological sites and monuments, given the further such sites and monuments are found on an ongoing basis. For that reason, very important (in the context of considering proposed development) to take account of information available on the Historic Environment Viewer (HEV)
