Community and Local Government

What is the form about?

This form is an application to your Local Authority for social housing.

If you are having trouble filling in this form you can contact the Housing Section of your Local Authority or a Citizens Information Centre.

It is important that you answer all the questions that apply to you. You should write n/a if the questions don't apply to you.

N/A

Please write answers clearly.

You have to send in other documents with the form. There is a checklist to help make sure you remember everything. The form will not go through unless everything is sent in.

Please take a copy of everything before you send it into the Local Authority.

We may also ask you for more information at a later time.

What information do I include on the form?

You will need to include all the Personal Public Service Numbers (PPS) for everyone who lives in your house who needs housing.

If you don't know a child's PPS number, you can get it by phoning or dropping into the local Social Welfare Office in your area.

You must include information about your income.

Income is any money you get from working or from social welfare.

If you are working you can send in a P60 form, or 4 of your last 6 payslips.

If you are self-employed you must send in at least 2 years of accounts or a P21 statement.

If you are getting a social welfare payment, then you will need to include a statement from the Department of Social Protection.

You can talk to your Local Authority about this.

What other information is needed?

If we think a person may be involved in anti-social behaviour, we can ask other agencies like the Gardaí.

If you change address or your income changes you must let us know.

We might contact you at a later stage for any other information that we need.

Where can I apply for social housing support?

You can only apply to one Local Authority.

This Local Authority must be in the area where you and your household usually live.

The logo of the Local Authority for where you would like to live will be on the front of the application form.

You can apply to another area if someone living in the house has a local connection to that area.

A local connection is when someone

- used to live in an area for 5 years,
- works within 15km of the area,
- goes to school or college there,
- needs educational or health services in that area, or
- has a relative living in the area for more than 2 years.

The Checklist:

The form has a checklist and this includes all the extra information that must be included.

You must remember to send a completed checklist in or your form will not go through.

All forms must include

- Birth certificates for all people in the house.
- PPS Numbers for all people in the house who are applying for housing.
